

Dear RCMP Deputy Comm. Zablocki and Premier Jason Kenney,

It has come to my attention that the Mayor of Calgary and the Calgary police have committed an indictable offence in the arrest of Pastor Artur Pawlowski.

There are no exceptions when it comes to the Criminal Code of Canada. One Rule of Law for ALL.

Mayor Nenshi and the arresting officers are in violation of Section 176(1-3). An indictable offence up to two years in prison. Therefore, I request the immediate release of Pastor Pawlowski, and his brother, and the arrest of the guilty parties involved.

This is Canada. Not communist China.

I look forward to your immediate attention to this matter.

With regards,
