Welcome to the AMCVH

The Muslim Association for Halal Meat Certification (AMCVH) is an independent organization with the expertise of halal food specialists and imams possessing comprehensive knowledge of Islamic jurisprudence regarding food products. All our services are based on the Quran and the traditions of the Prophet Muhammad (peace be upon him). We have a team of imams, halal food auditors, halal meat inspectors, and specialists with many years of professional experience in Islamic compliance, food safety, and quality. Our halal services are based on auditing, inspections, testing, and Islamic compliance in accordance with the halal guidelines of the Quran and the Hadiths of Muhammad (peace and blessings be upon him).
