Short Summary:

Reconsideration of Resolution Regarding Vaccination Mandate for Volunteer Fire Department Members

Voting:

Corporate Vote - Unweighted

Memorandum:

As per section 24(1) of Cariboo Regional District Procedure Bylaw No. 5350, 2021, the Chair is requiring the Board to reconsider and vote again on the following resolution, which was passed at the Board meeting held on January 14, 2022:

That the Board recommend that the CRD's mandatory vaccination workplace rule be deferred for up to 2 months to allow staff time to work with Volunteer Fire Departments to establish operational guidelines that may address the risk of infection to other volunteer fire department members as well as the public.

Alignment with Strategic Plan:

- Communication:** Facilitate communication strategies throughout the entire Cariboo Regional District that meet the needs of residents, community stakeholders, and other levels of government.

- Planning:** Intentionally plan services and activities of the CRD to prepare for future needs of residents and community stakeholders.
- Economic Sustainability:** Foster an environment to ensure the economic sustainability of CRD communities and the region.
- Governance:** Ensure that CRD governance policy and practices are intentional, transparent, and respectful.
