of Tyson Cook in this case  
and was made on April 25, 2025

No. KEL-S-S-142409  
Kelowna Registry

In the Supreme Court of British Columbia

Between

TYSON COOK

Plaintiff

and

ACTION4CANADA INC., GRAEME FLANNIGAN, TAMMY ANN  
MITCHELL, TORI OLASON, and PERSON A

Defendants

### **AFFIDAVIT**

I, Tyson Cook, of 1800-510 West Georgia Street, Certified Educational Assistant and sole proprietor of Whalemade Productions, AFFIRM THAT:

1. I am the Plaintiff in this action and as such have personal knowledge of the facts and matters hereinafter deposed to save and except where the same are stated to be based on information and belief and where so stated I verily believe them to be true.

### **Background**

2. I am 34 years old and work as a Certified Educational Assistant at Bankhead Elementary School in School District 23, Kelowna, BC. As a Certified Educational Assistant, I assist and work alongside teachers for children with special needs in grades 1 to 6. I have worked in this role for approximately 13 years.
3. In addition to my work as an Educational Assistant, I am also a drag performer, with the stage name "Freida Whales". As Freida Whales, I perform at both public and private spaces in and around the Okanagan region.
4. I have been a drag performer for approximately seven years. During that period, on average, I perform at a variety of adult-only shows around two to three times a week. While some of my drag performances are intended for adult audiences, I also regularly perform family-friendly and all ages events, such as "drag storytime".
5. Unlike the events where I perform for adult audiences, drag storytime events are child friendly and intended to be appropriate for viewers of all ages. At these events, I read

children's books to children and their parents as Freida Whales. I never discuss or perform any sexualized content at these events, either by way of the stories I read, my attire, the topics of conversation, or otherwise. I do not wear sexually explicit clothing or make references to any sexual content. I simply read to children and their families.

6. Drag storytime events are meant, more than anything else, to promote self-acceptance among youth. They are also meant to break harmful stereotypes about drag performers and members of the 2SLGBTQIA+ community. 2SLGBTQIA+ is an acronym that stands for Two-Spirit, lesbian, gay, bisexual, transgender, queer, intersex, and asexual, with the plus sign representing other gender and sexual identities.
7. Drag storytime events provide me with a creative outlet in which I get to explore and express my true identity. They also provide an opportunity for me to connect with other drag performers. These events and spaces, while meant to benefit the community at large, also benefit me greatly, as they make me feel supported and accepted. I also feel proud because I believe that my drag persona has made a difference to the 2SLGBTQIA+ community by promoting open-mindedness, inclusiveness, and diversity to members of the public. As a drag storytime reader, my performance at these events encourages children to embrace creativity, diversity, and confidence.
8. Over time, I have established a positive reputation for myself in the Okanagan community as a reliable, entertaining, and inclusive drag performer. As such, there are several venues in the Okanagan region where I have historically performed on a regular and recurring basis.
9. Over time, my drag performances have also become an integral source of my income. For example, in 2024, I earned approximately \$30,000 through Whalemade Productions, which is approximately the same amount of money I earn from my job annually as an Educational Assistant.
10. As I discuss further below, since around January 2023, the frequency at which I have been booked for drag storytime events has decreased significantly as a result of the Defendants' statements about me, including their communications with the venues at which I perform. As a result, I have lost and continue to lose opportunities to make income through my work with Whalemade Productions, as some venues where I used to regularly perform in the past are no longer hiring me to do shows.

### **The Defamatory Publications**

11. Since on or about January 2023, Action4Canada Inc. ("**Action4Canada**") and Mr. Flannigan (collectively in this application, the "**Application Defendants**") have published numerous statements about me online accusing me, both literally and inferentially, of among other things, being an inappropriate role model for children, performing sexually explicit content for children, and associating me with child exploitation, child pornography, child indoctrination, child grooming, the sexualization of children, and promoting self-harm, murder, and cannibalism to children.

12. As outlined in further detail in this Affidavit, these statements are false and misleading. I have never been charged with a criminal offence. I have never acted, dressed, spoken or performed inappropriately with or in front of children, either sexually or otherwise. I have never exposed children to sexual content.

a. **Action4Canada**

13. On or about January 20, 2023, I was alerted by several friends of mine, and subsequently reviewed, an online petition that states it was created by the defendant Action4Canada entitled "STOP Taxpayer Funded Drag Queen Sexualization of Children" (the "**Action4Canada Petition**"), which was published on the website CitizenGo.org on or about January 20, 2023. Attached and marked as **Exhibit "A"** to this Affidavit is a true copy of the Action4Canada Petition, which I viewed on the website Citizengo.org at the time of swearing this Affidavit.

14. The Action4Canada Petition states and/or implies a number of misleading, inaccurate and derogatory things about me, including that the organizers are safeguarding children from "indoctrination". It also states:

Who is this drag man in question? Tyson Cook, AKA Miss Freida Whales [...]

The amendment to the Human Rights code to include "gender identity and gender expression" as a protected class is not an open invitation nor defense, for men with adult sexual proclivities to have access to, or permit them to sexualize and exploit, children.

It is, sadly, no surprise that reports of child porn and sexual abuse is on the rise. [Kelowna RCMP forms unit to combat child porn in face of surge](#)

Time to Leave Our Kids Alone!

15. The Action4Canada Petition also includes a sample letter that readers are encouraged to send to the Kelowna mayor and council and the superintendent of the School District where I teach, to protest my drag storytime events. Among other things, that sample letter names me, presents my work in a manner that links it to child sexual abuse and predatory behaviour, and demands that the School District reassess my suitability as an Educational Assistant.
16. The Action4Canada Petition has since been shared widely and, as of the date of this Affidavit, has been signed by over 19,000 people. Among other things, the petition associates me with criminal conduct and links my drag performances to the rise of sexual abuse and child pornography, none of which is true. As I discuss in further detail below, the publication and subsequent republications of the Action4Canada Petition have and continue to have a devastating effect on my well-being, reputation, and career, both as a drag artist and as an educator.
17. Following the publication of the Action4Canada Petition, the Application Defendants commenced what appears to me to be an ongoing campaign to spread misinformation

about me, which includes the statements or allegations listed below in this Affidavit, and which has, as a result, caused and continues to cause significant damage to my reputation (collectively, with the Action4Canada Petition, the "**Defamatory Publications**").

18. On or about January 24 and 25, 2023, I was informed by friends of mine in the Okanagan community, and personally reviewed, four additional posts that Action4Canada had published about me on their website.
19. In the first post, published on the Action4Canada website on or about January 24, 2023 and titled "Who are the men wearing women's clothing?", Action4Canada posted a photograph of me reading to children at a drag storytime event and a direct link for users to sign the Action4Canada Petition ("**Action4Canada Petition Post**"). The Action4Canada Petition Post states, in part:

Let's take a look at Drag man, Tyson Cook, AKA Miss Freida Whales who is celebrated by the mainstream media and supported and promoted by local government.

[...]

But of greatest concern is that he works with children with special needs as a certified Education Assistant in the Kelowna School District as well as with autistic children for AutismBC.

The amendment to the Human Rights code to include "gender identity and gender expression" as a protected class is not an open invitation nor defense, for men with adult sexual proclivities to have access to, or permit them to sexualize and exploit, children.

Attached and marked as **Exhibit "B"** to this Affidavit is a true copy of the Action4Canada Petition Post. I am advised by my legal counsel and verily believe to be true that Exhibit B was downloaded from the Action4Canada website.

20. In the second post, which was published to the Action4Canada website on or about January 24, 2023, Action4Canada includes photographs of me dressed as Freida Whales, juxtaposed with images of what appears to be a pride parade and a man (who is not me and who is unknown to me) exposing his genitals to a young boy. Directly under this image collage, it states that readers should sign and share a "Notice of Liability" to put a stop to "drag queen story hours for children and the vile pride parades permitting sexual deviants and predators to expose themselves to minors". Attached and marked as **Exhibit "C"** to this Affidavit is a true copy of this January 24, 2023 post. I am advised by my legal counsel and verily believe to be true that Exhibit C was downloaded from the Action4Canada website.
21. In the third website post, published on the Action4Canada website or about January 25, 2023, titled "Urgent Action: Stop Drag Queen Sexualization of Children", Action4Canada includes information about my place of employment, social media posts, and drag storytime events, and states, with reference to me: "This is not an isolated situation. Our

children are being preyed upon, all in the name of "diversity and inclusion". This post also includes a link to the Action4Canada Petition. Attached and marked as **Exhibit "D"** to this Affidavit is a true copy of this January 25, 2023 post, downloaded from Action4Canada's website.

22. In a fourth post, published on the Action4Canada website or about January 26, 2023 and titled "Contact the Kelowna Mayor, City Council and RCMP and demand they cancel Freida Whales' Jan 28th Library Drag Event!", Action4Canada shares a sample letter addressed to the Kelowna mayor, city council, and the Kelowna RCMP Integrated Child Exploitation Unit and encourages readers to send the letter to these parties. This sample letter links my drag storytime events to the exploitation of children and a rise in child luring, grooming, and child sexual exploitation. Attached and marked as **Exhibit "E"** to this Affidavit is a true copy of this January 26, 2023 post, which I downloaded from Action4Canada's website.
23. I strongly believe that the above-mentioned Action4Canada publications are rooted in malice against the 2SLGBTQIA+ community. Attached and marked as **Exhibit "F"** to this Affidavit is a true copy of other Action4Canada publications, demonstrating what I believe to be a pattern of homophobic and transphobic attacks on the 2SLGBTQIA+ community.

**b. Graeme Flannigan**

24. Since on or about January 24, 2023, the Defendant, Graeme Flannigan, has sent numerous emails about me to venues where I work, city and government officials, news reporters, my employer, and others, in which he has stated or implied that I am an inappropriate role model for children, sexualize or exploit children, I am a groomer or predator, and that I have engaged in sexual crimes against children. As outlined in further detail below, none of these statements or allegations are true.
25. The first incident occurred on or about January 24, 2023, when Mr. Flannigan sent a number of emails seeking to shut down my all-ages drag storytime performance at the Kelowna library, scheduled to take place on January 28, 2023 ("**Kelowna Library Event**"). Prior to this event, I had performed at two library storytime events for the Kelowna library before the Covid-19 pandemic. I was informed by organizers, and verily believe, that this event was the first drag storytime event hosted by the Kelowna library after the pandemic.
26. On or about January 24, 2023, I was forwarded an email sent from Mr. Flannigan's personal email address to Black Press Media on or about January 24, 2023, by an employee of Kelowna Capital News ("**Kelowna Library Event Email**"). In addition to Black Press Media, Mr. Flannigan had sent that same email to the Kelowna mayor, City Council, other Kelowna government employees, the Kelowna RCMP, several local news organizations, as well as employees at School District 23. Attached and marked as **Exhibit "G"** to this Affidavit is a true copy of the Kelowna Library Event Email.
27. In the Kelowna Library Event Email, Mr. Flannigan made multiple references to a Youtube video published by me on October 26, 2020 (the "**Youtube Video**"). The Youtube Video

was part of a Halloween-themed short-story fiction and dramatized series I released for creative purposes. In the Youtube Video, I act out a short fiction murder story with background music playing. The Youtube Video is entirely unrelated to my drag storytime events. It was a creative project released for Halloween.

28. In the Kelowna Library Event Email, Mr. Flannigan alleged that my acting in the Youtube Video rendered me an inappropriate role model for children. The email included personal information about me, including my place of work and job title. The email also included screenshots of me acting in the Youtube Video.
29. On or about January 26, 2023, I was informed by a friend of mine, and subsequently personally reviewed, a post by Mr. Flannigan on his Facebook account, wherein he republished a link to the Action4Canada Petition. In that same Facebook post, Mr. Flannigan questioned the "appropriateness" of me making the Youtube Video "while dressed up as a children's performer". Attached and marked as **Exhibit "H"** to this Affidavit is a true copy of this Facebook post, which I screenshotted from Mr. Flannigan's public Facebook profile.
30. Following Action4Canada and Mr. Flannigan's online publications in January 2023, several news articles were published about the Kelowna Library Event and the anticipated protests against this event. Attached and marked as **Exhibit "I"** to this Affidavit is a true copy of media articles published in the lead-up to the Kelowna Library Event. I am informed by my legal counsel and verily believe that these articles were downloaded directly from the internet.
31. I attended and performed at the Kelowna Library Event and observed that protestors and counter-protestors attended the event, and that the event gained widespread media attention. Attached and marked as **Exhibit "J"** is a true copy of an article by CBC News which covered the Kelowna Library Event and described the protests and counter-protests that took place at the event in a manner that accurately summarized what I saw at the event.
32. Although the Kelowna Library Event was well-attended and garnered support from hundreds of counter-protestors in Kelowna, following this event, it is my knowledge and understanding that the Kelowna library stopped hosting drag storytime events and I have since never been hired to perform at the Kelowna Library.
33. As previously noted, Mr. Flannigan's January 24, 2023 email was also sent to employees at School District 23. As a result of this email, I received a letter of discipline from the School District on February 8, 2023, and was called for a meeting with the district's superintendent. At that meeting, I was asked by representatives of the School District to remove certain posts from my online accounts. I eventually grieved the matter with assistance from my union, and the matter settled. However, this incident caused me significant anxiety and embarrassment, and resulted in harm to my professional reputation.

34. Following the events of early 2023, I was hired by Festivals Kelowna in the summer of 2023 to perform as a storytime reader for their youth Canada Day event on July 1, 2023 ("**Canada Day Event**"). I had performed at the same event the previous year.
35. In or around July 2023, after my performance at the Canada Day Event, I was informed by a representative of Festivals Kelowna that the organization had received several emails from Mr. Flannigan about my performance at the event. In these emails, which were sent by Mr. Flannigan to festival organizers and members of government in Kelowna between April 14, 2023 and April 28, 2023 (the "**Canada Day Emails**"), Mr. Flannigan urged Festivals Kelowna to re-consider my participation in the Canada Day Event, and urged Festival Kelowna to cancel the drag storytime at the event. Mr. Flannigan also attached a link to the Action4Canada Petition in these emails.
36. Mr. Flannigan also attached a link to the Youtube Video to the Canada Day Emails, stating that I acted in a "murder cannibal fantasy music video that was all ages", that I have "dark and sexual content" online and therefore that I am an inappropriate performer for children.
37. Attached and marked as **Exhibit "K"** to this Affidavit is a true copy of Mr. Flannigan's Canada Day Emails, which were forwarded to me by the Festivals Kelowna representative.
38. As noted above, following the Kelowna Library Event, I have observed, and verily believe to be true, that the Kelowna library stopped hosting drag storytime events. Since that event, I have only been able to perform drag storytime events occasionally, mostly at local art galleries. On several occasions, I have observed Mr. Flannigan at these events to protest my attendance with posters and signs stating, among other things, "STOP SEXUALIZING CHILDREN" and "PROTECT THE KIDS". Attached and marked as **Exhibit "L"** is a photograph obtained by me from a video published by Castanet.com of Mr. Flannigan protesting the Kelowna Library Event, a photograph of Mr. Flannigan protesting the January 27, 2024 Kelowna Art Gallery event, and a screenshot of a Facebook post from Mr. Flannigan's profile, sent to me by a friend, where he shared a picture of himself protesting my April 27, 2024 Lake Country Art Gallery event.
39. In addition to the Kelowna Library and Canada Day Events, I have been informed by several venues that they have received emails from Mr. Flannigan urging them to cancel their events with me, as set out below.
40. On or about January 21, 2023, I was informed by an employee at Globe Dining, a restaurant in the Big White Ski Resort, that Mr. Flannigan had emailed them about my upcoming drag performance at the venue, which was open to audience members over 14 years old. Mr. Flannigan's email, sent to Globe Dining on or about January 21, 2023, stated or implied that the drag show would expose children to sexually explicit content, including "seeing men in lingerie and wigs grinding their crotches on each other and simulating sex acts" and asked if the Globe would be having "privacy blockers" at their venue. The event was child friendly and did not include, nor did it have any plans to

include, any such explicit content. Attached and marked as **Exhibit "M"** to this Affidavit is a true copy of this email correspondence.

41. On or about December 6, 2023, I was informed by an employee of the Penticton Art Gallery that on or about that same day, Mr. Flannigan had emailed the Penticton city council, members of parliament in Penticton, and the Penticton Art Gallery about my upcoming January 27, 2024 drag storytime event at this venue. In this email, which this employee provided to me, Mr. Flannigan asked "[w]hy is the Penticton Art Gallery misappropriating tax payer funds to sexualize and indoctrinate children with drag queen story time?", attached a link to the Action4Canada Petition, and falsely stated that I had exposed children to sexual content at one of my previous child-friendly shows. The email further stated that "[l]ewd and indecent performers are not for children" and called for funding to the Penticton Art Gallery to be cut until the January 27, 2024 event was cancelled. Attached and marked as **Exhibit "N"** to this Affidavit is a true copy of this email correspondence.
42. On or about December 20, 2023, I was informed by an employee of the Vernon Public Art Gallery that that same day, Mr. Flannigan had sent the same email as described in the paragraph above to the Vernon Art Gallery, the mayor of Vernon, members of parliament in Vernon, and other individuals, about my upcoming February 10, 2024 storytime event at the Vernon Art Gallery. Attached and marked as **Exhibit "O"** to this Affidavit is a true copy of this email correspondence, as received by me from the employee of the Vernon Public Art Gallery.
43. On or about April 25, 2024, I was advised by my legal counsel that that same date, counsel had sent Mr. Flannigan a letter, marked as **Exhibit "P"** in this Affidavit, requesting that Mr. Flannigan take down any defamatory publications about me and cease from making any further defamatory statements about me. I am advised by my legal counsel, and verily believe to be true, that they did not receive a response from Mr. Flannigan to this letter.
44. On or about April 27, 2024, an employee at Lake Country Art Gallery informed me about and provided me with a copy of an email sent to them by Mr. Flannigan on or about April 26, 2024. This email was also sent to several other members of the community, including media outlets. In the email, which called for the cancellation of my drag storytime event at Lake Country Art Gallery scheduled for April 27, 2024, Mr. Flannigan falsely alleged that I had previously performed a sexually explicit drag show for children, which is untrue, that I exposed my "panty covered genital area" to children, and stated that I am an inappropriate performer for children. Attached and marked as **Exhibit "Q"** to this Affidavit is a true copy of this email correspondence.
45. On or about May 23, 2024, I was informed by a representative of the venue Buffalo Rouge that Mr. Flannigan had sent them two emails about me, dated May 17, 2024 and May 23, 2024, about a drag bingo event that was scheduled to take place at the venue on May 26, 2024. In the May 23 email, Mr. Flannigan stated that I have "a history of performing adult sexual events for all ages children", that "[e]xposing children to inappropriate sexual content is unacceptable" and the "exposure or partial exposure of genitals to persons

under the age of 16[...] is a criminal offence". The email requested that Buffalo Rouge "reconsider [its] decision to expose children to inappropriate 19+ sexual content". Attached and marked as **Exhibit "R"** to this Affidavit is a true copy of this email correspondence, as received by me from the representative of Buffalo Rouge.

46. Also on or about May 23, 2024, I was informed by a representative of Lakesider Brewing that Mr. Flannigan had sent the same email as described in the paragraph above to Lakesider Brewing, in reference to my upcoming drag performance at this venue. Attached and marked as **Exhibit "S"** to this Affidavit is a true copy of this email correspondence, as received by me from the representative of Lake Sider Brewing.
47. On or about July 16, 2024, Mr. Flannigan emailed Festivals Kelowna and myself about my upcoming performance at an event called "Arts on the Avenue". In this email, Mr. Flannigan stated, among other things, that I had previously performed a "19+ sexually explicit show for all ages children", which is untrue. Attached and marked as **Exhibit "T"** to this Affidavit is a true copy of this email correspondence.
48. On or about September 22, 2024, Mr. Flannigan wrote an email to the Kelowna mayor and council, other Kelowna government employees, members of government, media outlets, and myself, in which he stated that the then-upcoming event "Celebrating Trans & Queer Joy" – which I was not participating in or performing for – was a radical political event taking place that day, urged organizers to cancel the event, and falsely stated that I had, in the past, performed a sexually explicit drag and burlesque show for children. Attached and marked as **Exhibit "U"** to this Affidavit is a true copy of this email.
49. On or about December 20, 2024, Mr. Flannigan sent an email to the Kelowna Curling Club, Buffalo Rouge Brewing, Lake Sider Brewing, and myself, referring to a January 22, 2024 performance of mine. In this email, Mr. Flannigan stated, among other things, "Cook has done many +19 sexual drag queen shows for all ages children which are the actions of a groomer predator". He further asked: "[w]ill Cook be exposing his panty-covered male genital area to children, like he has done in the past, at the curling club? Will Cook be touching and holding children like he has posted pictures of himself doing?". In addition, this email states that "Cook appears to have a pathological obsession with exposing all ages children to 19+ adult sexual content." Attached and marked as **Exhibit "V"** to this Affidavit is a true copy of this email.
50. In addition to the emails he has sent to venues where I perform, as described above, Mr. Flannigan has also made several posts about me on his social media pages, including on Facebook and X, (formerly known as Twitter), since January 2023, as outlined in the Notice of Civil Claim at paras. 24-30.
51. In or around the week of October 12, 2023, I was informed by a friend of mine, and personally reviewed, a post that Mr. Flannigan published about me on X on October 12, 2023, wherein he posted an image of me and stated "Protest 13+ Sexual, Adult Themed Drag Queen Show[...]". Attached and marked as **Exhibit "W"** is a true copy of this post,

which I have been informed by my legal counsel and verily believe to be downloaded from Mr. Flannigan's X profile.

52. In or around the week of January 5, 2024, I was informed by a friend of mine, and personally reviewed, a series of Facebook posts that Mr. Flannigan published about me on January 5, 2024, in which he stated or implied that I am inappropriate role model for children, and republished pictures of me performing at adult-only drag events juxtaposed alongside pictures of me reading to children at libraries, with captions encouraging people to protest my storytime events. Attached and marked as **Exhibit "X"** is a true copy of these posts, which I have been informed by my legal counsel and verily believe to be downloaded from Mr. Flannigan's Facebook account.
53. I strongly believe that the above-mentioned posts and emails published by Mr. Flannigan are rooted in malice against the 2SLGBTQIA+ community. Attached and marked as **Exhibit "Y"** to this Affidavit is a true copy of other social media posts published by Mr. Flannigan on Facebook, demonstrating what I believe to be a pattern of homophobic and transphobic attacks on the 2SLGBTQIA+ community.

**c. Publications Following the Notice of Civil Claim**

54. On or about December 19, 2024, the Notice of Civil Claim in this action was filed in the BC Supreme Court. I am told by my legal counsel and verily believe to be true that the Notice of Civil Claim was served on Action4Canada on or about January 21, 2025, and on Mr. Flannigan on or about January 14, 2025.
55. On or about January 13, 2025, my legal counsel sent a follow-up letter to Mr. Flannigan, attaching the Notice of Civil Claim in this matter and demanding that he remove any defamatory publications and cease from publishing any further defamatory statements about me. On or about December 4, 2024 and February 13, 2025 my legal counsel sent a letter and a follow-up letter to Action4Canada, demanding the same. Attached and marked as **Exhibit "Z"** to this Affidavit is a true copy of these letters (collectively, the cease and desist letters sent to each of the Application Defendants will be referred to as the **"Cease and Desist Letters"**).
56. On or about February 7, 2025, I reviewed a video uploaded by Action4Canada on or about January 29, 2025 on Rumble.com titled "Resilience In Uncertain Times With Tanya Gaw And Dr Wendy Hofman, Jan. 29, 2025". In this video, now shown to me and attached as **Exhibit "AA"**, but not filed with this Affidavit, a woman who identifies herself as Tanya Gaw, founder of Action4Canada, discusses the December 4, 2024 cease and desist letter sent by my legal counsel to Action4Canada. I have reviewed the video and note that the video contains, among other things, the following content:
  - (a) Ms. Gaw states that two years prior, Action4Canada found out that I had been performing drag storytime at libraries, and that Action4Canada decided to take action to "protect our children" because drag queens are "adults with sexual proclivities";

- (b) The video also displays the Action4Canada Petition Post published on Action4Canada's website, including the part of the post that states "[t]he amendment to the Human Rights code to include "gender identity and gender expression" as a protected class is not an open invitation nor defense, for men with adult sexual proclivities to have access to, or permit them to sexualize and exploit, children"; and
  - (c) Ms. Gaw states that Action4Canada discovered information about me that caused concern about my suitability to be around children.
- 57. I am informed by my legal counsel and verily believe that a corporate search of Action4Canada reveals that Ms. Gaw is listed as a director of Action4Canada. Attached and marked as **Exhibit "BB"** to this Affidavit is a true copy of a corporate search of Action4Canada, completed on November 28, 2024, as provided to me by my legal counsel.
- 58. On or about March 5, 2025, I reviewed another video posted by Action4Canada on Rumble.com titled "Weekly News Update with Tanya Gaw: Wins, Actions, Legal & More FEB 5, 2025" on February 5, 2025. In this video, now shown to me and attached as **Exhibit "CC"**, but not filed with this Affidavit:
  - (a) Ms. Gaw states, with reference to the Notice of Civil Claim, that I am "coming after" Action4Canada for "standing up for children and for saying that [...] men with sexual proclivities and who are adult performers should not be performing for children";
  - (b) Ms. Gaw states that because I am "a man dressing as a woman", Action4Canada needs to be "on guard for children's hearts and minds";
  - (c) The video also includes the same portions of the Action4Canada Petition Post as described in this Affidavit; and
  - (d) Ms. Gaw states that there is a duty to report inappropriate conduct of teachers to the school board, and that as an Educational Assistant, I should fall under this duty. She further states that if there is "anything of concern in a sexual manner or exploitation or not appropriate conduct, that needs to be reported" and also says that under federal law, if there is "harm that could come to children, you have a duty to report [it]".
- 59. Additionally, on or about March 5, 2025, I reviewed a post on Action4Canada's website dated February 4, 2025 titled "Help Stop Vexatious Drag Queen Lawfare Against Action4Canada!". In this post, Action4Canada attaches a link to the Action4Canada Petition Post and urges readers to donate to their "Legal Action Fund" to assist them in this court action. Attached and marked as **Exhibit "DD"** to this Affidavit is a true copy of this post from Action4Canada's website.

60. On or about March 5, 2025, I reviewed another publication on Action4Canada's website, made on or about February 19, 2025, wherein Action4Canada states that they are "[f]ighting an ideological war intended to deconstruct the family, exploit our children's innocence and denounce the identity of biological women", referred to the Notice of Civil Claim, and asked readers to donate to their legal fund to assist them with this litigation, because they are fighting to "protect children across Canada". This post republishes a link to the Action4Canada Petition Post. Attached and marked as **Exhibit "EE"** is a true copy of this post.
61. On or about March 5, 2025, I reviewed two February 19, 2025 videos published by Action4Canada on Rumble.com titled "Radical LGBTQ FaceOff, Canada Is Net Zero, RCMP Covid & Fentanyl Corruption, Feb. 19, 2025" and "News Report & Finance Update with Tanya Gaw & Steve Merrill Feb. 19 2025". Both publications, now shown to me and attached as **Exhibit "FF"** and **"GG"**, but not filed with this Affidavit, contain the same video clip, wherein a woman who identifies herself as Tanya Gaw:
- (a) references the Youtube Video, my job as an Educational Assistant, and my drag queen job, says that Action4Canada is asking for my suitability as an Educational Assistant to be reviewed, and that Action4Canada has a "duty to report"; and
  - (b) states that "we are in a war...for the hearts and minds of our kids" and therefore requests audience members to donate to Action4Canada's legal fund.
62. On or about March 2, 2025, I reviewed another Action4Canada video published on Rumble.com titled "Native Pawns Equals Cheque Mate with Tanya Gaw & Michelle Stirling March 19, 2025". In this video, now shown to me and attached as **Exhibit "HH"**, but not filed with this Affidavit, Ms. Gaw seeks donations from viewers for Action4Canada's legal fund, says that Action4Canada is on the frontlines of "many battles", including for "the sexualization of children", and says these words against the backdrop of Action4Canada's February 4, 2025 post titled "Help Stop Vexatious Drag Queen Lawfare Against Action4Canada!", which showcases pictures of me dressed as Freida Whales. Ms. Gaw goes on to speak about the Youtube Video, the December 4, 2025 cease and desist letter sent to Action4Canada, says that they "have a duty to report if there is potential harm that could...be coming to children" and seeks donations from viewers.
63. It is my belief that Action4Canada's Petition, videos, and online posts about me have been and continue to be broadly disseminated to others. On or about February 6, 2025, I was alerted by a Facebook friend of mine that, on or about February 4, 2025, there had been multiple recent Facebook posts or comments in Action4Canada's Facebook group titled "Action4Canada – Kelowna" from members of that group that repeat or duplicate content from the Action4Canada Petition and other Action4Canada posts. Attached and marked as **Exhibit "II"** to this Affidavit is a true copy of these posts, which were sent to me as screenshots by a friend.
64. To date, Action4Canada's Petition, website posts and videos about me are still available online for anyone with internet access. Additionally, in several of the videos posted by

Action4Canada in 2025, Ms. Gaw has stated that she would continue to provide updates on legal developments in this case. Given the above posts, which discussed this case but also included untrue and harmful allegations about me, I am concerned that Action4Canada will continue spreading untrue and harmful content about me notwithstanding the commencement of this legal action and under the guise of discussing this case.

**The Application Defendants' Publications Are Not True**

65. I have reviewed the responses to civil claim filed by Action4Canada and Mr. Flannigan on or about February 6, 2025 and understand that the Application Defendants rely on the defences of truth and fair comment for the Defamatory Publications, as defined in the Notice of Civil Claim.
66. In fact, the Application Defendants' publications about me are false and misleading. Specifically, the Defamatory Publications state or imply, directly or indirectly, that I:
  - (a) am an inappropriate role model for children and therefore not suitable to be a Certified Educational Assistant or to perform drag storytime events;
  - (b) perform sexual content in front of children;
  - (c) sexualize, exploit, indoctrinate, groom and prey on children;
  - (d) have exposed myself to children in a sexually explicit manner; and
  - (e) am connected to a recent increase in instances of child pornography and crimes against children.
67. These statements are false and misleading because:
  - (a) I have never acted inappropriately with children or minors, sexually or otherwise;
  - (b) I am a qualified and suitable Certified Educational Assistant and have acted, at all times, professionally within this role;
  - (c) I have never sexualized, exploited, indoctrinated, or groomed a child;
  - (d) I have no connection or link to any instances of, or apparent rise of, child pornography, sexual abuse, or other crimes against children (or crimes in general);
  - (e) I have never been accused of or charged with any criminal offence;
  - (f) I have never exposed myself in a sexually explicit manner in front of a child, at my drag storytime events or otherwise;
  - (g) It has never been an aim or motive of the drag story time events I have participated in to groom, sexually manipulate or otherwise condition children or young people for abuse or exploitation;

- (h) My all ages events are specifically tailored to have only child-friendly content and contain no explicit or implicit sexual content, sexual references, or sexual purposes; and
- (i) Any of my shows with adult content are restricted to audience members over the age of 19 and no such adult content is shown or performed in front of children.

**Harm Caused by Defamatory Publications**

- 68. As a result of the Application Defendants' many website publications, emails, videos, and social media posts about me, I have suffered from and continue to suffer losses to my reputation and income earning potential, and anxiety and embarrassment in my community.
- 69. Since sending the Cease and Desist Letters and filing the Notice of Civil Claim, the Application Defendants have not removed their defamatory publications nor stopped from publishing further defamatory statements. Most or all of the Application Defendants' posts are still available online and are easily searchable by anyone with internet access. As demonstrated in Exhibit "B", the Action4Canada Petition is still live, and has received more signatures in the wake of the Notice of Civil Claim.
- 70. The Application Defendants' conduct has negatively affected and continues to affect my reputation as an Educational Assistant because:
  - (a) I have suffered a loss of reputation and embarrassment as a result of Mr. Flannigan's January 23, 2023 email to the School District, and also as a result of the intense media attention received due to the Application Defendants' posts about me;
  - (b) Because of the Application Defendants' posts and publications about me, I also suffer from anxiety about the prospect of parents of children at my school approaching me or complaining to the school if they see me in the news or online;
  - (c) Several of my coworkers have mentioned to me that they have seen my name in the news in media articles that have spotlighted the Application Defendants' false claims about me, and I have had to defend myself to them, which has damaged my reputation and caused me humiliation; and
  - (d) Having worked as a Child Educational Assistant for over a decade, I have suffered from significant harm to my dignity due to the multiple allegations made by the Application Defendants that I am an inappropriate role model for children and not suitable to work in this role.
- 71. In addition to having an impact on my reputation as an Educational Assistant, the Application Defendants' actions have had a negative impact on my job as a drag performer because:

- (a) Since the Defendants' publications, and their repeated attempts to cancel my storytime events based on false and misleading information, I am invited to perform at far fewer drag storytime events. I have in general been unable to perform storytime events at the rate I used to before the Application Defendants began their defamatory campaign. I verily believe this is as a result of the false and misleading information about me in those publications;
- (b) Every time I approach a new venue to book events, I suffer from anxiety and humiliation because I have to alert the venue that they will probably receive multiple emails from Mr. Flannigan once he hears about the event, and I have to inform the venue in advance that those emails may contain false information accusing me of being a predator and groomer. This has led to embarrassment, humiliation, and harm to my dignity, confidence, and reputation;
- (c) Every time I perform at an event, I suffer from anxiety at the prospect that Mr. Flannigan or others will show up in protest to the event and accuse me of sexualizing children, as has occurred in the past. Such occurrences have caused embarrassment, humiliation, and severe harm to my dignity and reputation;
- (d) As a result of the Application Defendants' statements about me, and including in particular Mr. Flannigan's presence at my events, I fear for my personal safety and that of others attending my events;
- (e) I verily believe that whereas my reputation used to be one of a child-friendly drag performer, the Application Defendants' untrue statements linking me to child grooming, child exploitation, and the sexualization of children have tarnished and continue to tarnish my reputation. As a result of the Application Defendants' actions, I verily believe that people now question whether my all ages events are appropriate for children;
- (f) Given the intense media attention the drag storytime events have received due to the Application Defendants' actions, I am unable to find other drag performers to perform with me at venues for storytime events. This has led to a loss of earning potential and reputation for myself and my sole proprietorship, Whalemade Productions;
- (g) I have had venues discontinue their regular shows with me in recent years, which I verily believe to be linked to the Application Defendants' online posts about me, Mr. Flannigan's numerous emails about me to venues, and the media attention I have received;
- (h) To be publicly accused or associated with stigmatizing behaviours relating to crimes against children is deeply upsetting to me. I have suffered from an increase in anxiety, a loss of self-confidence, and embarrassment in the local community as a result of the Application Defendants' published statements about me. It has also

caused me significant distress to see my work as a performer smeared in this manner; and

- (i) In addition to the above, I fear that the full impact of the Defamatory Publications may never be known to me, and may deprive me, or have already deprived me, of opportunities as a drag performer.
72. I have also suffered a significant loss to my dignity, confidence, and reputation generally as a result of the Application Defendants repeatedly posting defamatory statements about me, particularly as these posts remain online and accessible. The effects of these posts are ongoing, and have worsened with time. Each time I see a new defamatory publication about me, it negatively impacts my state of mind, my sense of dignity and belonging in my community, my reputation and my self-confidence.
  73. As noted, as a result of the Application Defendants' ongoing defamation campaign, I suffer from extreme anxiety about booking shows at new venues. This is especially heightened at the prospect of me performing at drag storytime or all-ages events, which, as noted previously, have already reduced in frequency. I am particularly concerned about my upcoming storytime event in May 2025, which is the first storytime event I will be performing in 2025, and the prospect of Mr. Flannigan and the other Defendants spreading lies and harmful misinformation about me in order to stop that event. I fear that any future storytime or all-ages event I participate in will receive further attention from the Application Defendants and will lead to them posting more defamatory content.
  74. I am also particularly concerned that Action4Canada will continue posting and republishing defamatory information about me on their social media pages, website, and other third party platforms such as Rumble.com, all of which, based on my review of their website and social media accounts, have far-reaching impact.
  75. Since the filing of the Notice of Civil Claim, Action4Canada has increased the frequency at which they refer to me in their online publications and videos. Attached and marked to this Affidavit is **Exhibit "JJ"**, which I am informed by my legal counsel and verily believe is a screen capture of the Rumble.com video in Exhibit "FF", demonstrating that Action4Canada has over 6,000 'followers' on Rumble.com. It is my belief, based on this follower count, as well as my understanding of their presence in the Okanagan region and the engagement they receive on social media, that Action4Canada's website has the same amount, or more, regular readers. I am concerned that Action4Canada will continue spreading defamatory content about me, including by republishing the Action4Canada Petition, at the same or potentially an increased rate, and that the broad dissemination of these statements to their followers and members of the general public will increase the harm caused to my reputation, dignity, and well-being.
  76. In addition, I am concerned that Mr. Flannigan will continue attending my events in protest and continue spreading misinformation about me to venues I work with. It is my belief that the tenor of Mr. Flannigan's emails has escalated over time. Whereas his initial emails referred to me as being an inappropriate role model for children, his more recent emails

make more serious false allegations, including by accusing me of exposing myself to children in a sexually explicit manner and stating that I perform sexually explicit material for children. Mr. Flannigan's statements further escalated in December of 2024, when he emailed multiple venues and directly linked my shows to "the actions of a groomer predator" (see Exhibit "V").

77. I understand the term "grooming" to mean sexually manipulating or conditioning children, often by building a relationship of trust, to make the young person vulnerable to exploitation, sexual abuse, trafficking, or pedophilia. I also understand that the allegation that 2SLGBTQIA+ people or members of the drag community promote pedophilia, sexually exploit minors, "groom" or "lure" children is part of a longstanding myth and conspiracy theory, rooted in homophobia and transphobia.
78. It is my belief that the Application Defendants' publications about me are rooted in homophobic and transphobic stereotypes or myths. The continuous onslaught of what I believe to be homophobic and transphobic attacks against me has had, and continues to have, a severely negative effect on my sense of belonging in my community, my dignity, and my confidence. I find these publications deeply offensive, upsetting, and misleading. Given the broad dissemination of the Defamatory Publications, and the Application Defendants' ongoing posts about me, I also worry about my personal safety.
79. I am concerned that, over time, and as this case gets closer to being tried, the substance and potentially the frequency of the Application Defendants' statements about me will escalate further. If the Application Defendants' defamation continues, I am concerned that my reputation will be further damaged both personally and professionally, as a drag artist and as an educator, and that this will cause further harm to my well-being, mental health, and dignity.

# STOP Taxpayer Funded Drag Queen Sexualization of Children

Action4Canada Inc started this petition to Kelowna Mayor and Council - 2023/02/03

The Kelowna, BC [Action4Canada](#) Chapter leader, Laurie Baird, created a [petition](#) on Change.org and it was removed as they deemed it 'hate speech.'

The topic of concern? A Drag Queen reading to and performing for children in public libraries and at 'Family Friendly Events' in the City of Kelowna, BC, paid for by taxpayers. The petition was polite and articulated legitimate concerns.

In response, **Action4Canada** created this further petition with CitizenGo to ensure that the public maintain the freedom to voice their concerns without fear of being censored. There is nothing hateful or offensive about wanting to protect the innocence of children and safeguarding them from indoctrination.

Who is this drag man in question? Tyson Cook, AKA Miss Freida Whales. It was not difficult to come up with the following information. His extra-curricular activities are shocking to say the least. Tyson created videos depicting murders that also include cannibalism and a Satanic-like ritual. His social media posts consist of sexually vulgar and profane language. [View evidence Here](#)

But of greatest concern is that he works with children with special needs as a certified [Education Assistant](#) in the Kelowna SD 23 as well as with autistic children for AutismBC.

As a further point of interest, [Loyal Woodridge](#), an openly gay Kelowna city councilor, is also on the board of the Okanagan Regional Library, and is a strong supporter and advocate for the Drag Queen Story Hours. Is this a conflict of interest?

The amendment to the Human Rights code to include "gender identity and gender expression" as a protected class is not an open invitation nor defense, for men with adult sexual proclivities to have access to, or permit them to sexualize and exploit, children.

It is, sadly, no surprise that reports of child porn and sexual abuse is on the rise. [Kelowna RCMP forms unit to combat child porn in face of surge](#)

Dear Kelowna Mayor, City Council and Superintendent Kevin Kaardal (SD 23),

I am writing to express my concern regarding the City using taxpayers' money to support and fund "Drag Queen Story Time" at public libraries and 'Family Events.' (eg. Canada Day 2022)

I have further concerns about Mr. Tyson Cook, AKA Drag Queen Freida Whales, who is employed by the Kelowna school district.

The reasons for my concerns are as follows:

- Tyson Cook created a graphic video depicting a murder that also included cannibalism and a Satanic-like ritual. Several other disturbing videos were found wherein he takes an axe to his unconscious victim and then he attacks a woman from behind in an alley, knocks her out with chloroform, as his next victim.
- Mr. Cook's social media is rife with vulgar and sexually explicit comments.
- Although not all Drag Queens are bad people,

murders that also include cannibalism and a Satanic-like ritual. His social media posts consist of sexually vulgar and profane language. **View evidence [Here](#)**

Please sign and share this petition demanding that the City of Kelowna STOP using taxpayer's money to promote and fund all library Drag Queen Story Hours and family friendly events and further demand that the School District reassess Mr. Cook's suitability as an EA.

**Also, there will be a PEACEFUL gathering at the upcoming Drag Event at the Kelowna Library on January 28 @ 10am PST. Address: 1380 Eills St, Kelowna, BC**

Thank you

## Notice of Personal Liability Stop Drag Queen Story Hours and Pride Events

Please read, share, and sign the [NEW Notice of Liability](#) and serve it to anyone who is facilitating in the unprecedented attack against our children. We MUST put a STOP to drag queen story hours for children and the vile pride parades permitting sexual deviants and predators to expose themselves to minors.

The cultural and political changes in Canada over recent years are working to normalize and accept activities and events for the purpose to counsel and/or advocate the sexualization of children.

This Notice of Liability is to alert Education Ministry Offices, School Divisions, Public Libraries, Businesses and/or any other Organization or individual that their participation in facilitating in the exploitation and/or sexualization of minors through drag queen story hours or other events/activities, such as Pride Parades, or making available explicit/pornographic books or resources to minors, is unlawful. Drag queen events and activities are being promoted under the guise of diversity and inclusion and/or social acceptance of the self-proclaimed sexual identity of a person. However, all activities and events where minors are involved must be age appropriate and not cause psychological, emotional, or physical harm.

Drag queen story hours, camps and PRIDE events have become an avenue to expose minors to nudity, sexually explicit, pornographic, and inappropriate books, and activities. Schools, public libraries, and private and corporate businesses are promoting pride parades and/or inviting drag queens to perform for minors.

Making available, facilitating or promoting events or activities, where minors are exposed to nudity or a visual representation where the dominant characteristic is of a sexual purpose and advocates or counsels sexual activity with a minor, are crimes as laid out in the Criminal Code of Canada.

The following sections provide the categories of offences tending to sexually exploit and corrupt the morals of minors, and/or make available or promote, sexually explicit material or activities: Section 151, 152, 153 (1), 163.1, 171.1(5), 172.1(1), 173 (2), 174 (1), 175(1) (see attachment). These are indictable offences liable to imprisonment.

Please, take ACTION today!

As **Action4Canada** continues to courageously defend Canadians rights and freedoms we ask that you would please consider courageously giving, either a one time donation or becoming a monthly donor. Help **Action4Canada** continue to bring solutions and

psychological, emotional, or physical harm.

**URGENT: Protect Children  
Please Sign the Petition**

Tyson Cook, AKA Miss Freida Whales, is a Drag Queen performer who reads to children in public libraries. His extra-curricular activities are shocking to say the least. Tyson creates videos depicting murders that also include cannibalism and a Satanic-like ritual. Several other disturbing videos were found wherein he takes an axe to his unconscious victim. He then finds his next victim, a woman, attacks her from behind in a dark alley and subdues her using chloroform. In addition, his social media posts consist of sexually vulgar and profane language.

Of greatest concern is that he works with special needs children as a certified [Education Assistant](#) in Kelowna SD 23, as well as with autistic children for AutismBC. See [HERE](#) for further details and please share this information.

This is not an isolated situation. Our children are being preyed upon, all in the name of "diversity and inclusion."

If you believe that Mr. Cook should be reassessed for his suitability to be employed as EA or perform for children then please [sign the Petition](#).

Why is it considered hateful, racist or offensive to protect the innocence of children from sexual predators and psychologically disturbed individuals? Grown men in women's clothing who participate in sexually deviant acts, vulgar language and satanic rituals should not have access to children.

The amendment to the Human Rights code to include "gender identity and gender expression" as a protected class is not an open invitation, nor defence, for men with deviant adult sexual proclivities to have access to, or permit them to sexualize, exploit and/or harm, children. In light of the information that was recently made public regarding Mr. Tyson Cook, AKA Drag Queen Freida Whales, his upcoming event at the **taxpayer funded** Kelowna Library on January 28, must be cancelled. The Mayor and Council have a fiduciary duty to act in good faith with regards to the interests of children, and society at large. If the Mayor and Council choose to support this event, or similar future events, they may be found criminally liable for facilitating the exploitation of minors.

Should the library decide to go ahead with this event further action will be pursued to defund the library, as I do not want my hard-earned money supporting the exploitation of children.

This information was easily attainable which means that the city either knew and gave him a pass or never bothered to check. What are the city's policies and procedures for doing background checks on individuals in regards to their access to children? Mr. Cook works as a Certified [Education Assistant](#) in the Kelowna School District as well as a respite care worker with autistic children for BC Autism. The same questions apply.

Mr. Cook's extra-curricular activities are shocking to say the least and the fact that the city celebrates and promotes him as 'Kelowna Public Library's Drag Queen Story Time PERFORMER!' is appalling and the city's officials must be held accountable and investigated as they are facilitating child exploitation. Public Libraries are supposed to be a place where children and adults can **safely** go to access resources without fear of being subjected to a person or group of people whose proclivities should be restricted to private adult-only venues.

The Kelowna RCMP recently launched a [Child Exploitation Unit](#) due to a big surge in child pornography. There can be no doubt that there is a correlation between the campaign to normalize Drag Queens having access to children and the over-sexualizing of children in our education system through the **radical** LGBTQ sex activist's agenda. These campaigns are breaking down societal norms and a child's ability to recognize predators.

The Canadian Centre for Child Protection is also [reporting a 56% Increase](#) in youth being "sexorted" by online predators who are targeting young children. The BC government and RCMP ICE unit have been aware of the growing exploitation of children for some time. From March to May 2020 they noted a 45% rise in [reports of exploitation](#), including child luring, grooming and child sexual exploitation material, compared to the same period in 2019.

Make no mistake, the amendment to the Human Rights code to include "gender identity and gender expression" as a protected class is not an open invitation, nor defence, for men with adult sexual proclivities to have access to, or permit them to sexualize and exploit, children.

It is long overdue to put the rights and well-being of our children first rather than hiding behind virtue signalling and political correctness.

I therefore demand that the city immediately cancel Mr. Tyson's Drag event on January 28th and prohibit him from performing for children at **any** future events.

Sincerely,

Tanya Gaw, Founder of **Action4Canada**, provides evidence that the **SOGI 123 learning resources are 100% incrementally indoctrinating, sexualizing and grooming children**. The SOGI 123 lesson plans provide a shocking look at how the education system is being used to break down societal norms and the natural family by confusing children, exploiting their innocence and destroying their natural barriers against predatory behaviour. Tanya reviews the [SOGI Toolkit: Teaching Resource](#) and updates to the **A4C** SOGI/Wynne notice of liability. **Please share this video!**

Tanya Gaw provides an in-depth report on SOGI123 (Sexual Orientation Gender Identity)/Wynne Sex Ed resources and curriculum. Tanya also provides overwhelming evidence that the LGBTQ activists' infiltration into public (and private) schools is causing devastating harm to children, parents and society at large. All of which is being done without parents knowledge or permission.

**What can you do? Tanya also provides you with effective resources, campaigns and solutions. Please watch and share this video and access the resources below.**

References from Tanya's presentation: [Review HERE](#).

The LGBTQ have been hijacked by radical activists who are attacking the core freedoms and rights of all Canadians. The political activists are not interested in equal rights, diversity, or inclusion. Their objective is forced compliance and acceptance of their adult sexual proclivities and radical ideologies, that includes claims that there are more than two sexes and over a hundred genders. This is scientifically impossible since sex is an immutable characteristic consisting of two sexes, male and female. **On January 20, 2025 female was defined by the Trump administration as "a person belonging at conception to the sex that produces the large reproductive cell," which refers to eggs or ova.** The definition does not distinguish gender and sex based on chromosomes, bypassing the issue of those who may have an irregular combination of chromosomes.

The United Nations (UN) is involved in this agenda and they are targeting children as "Agents of Change". The UN has mandated that all member nations implement the "Comprehensive Sexuality Education" resource. This "resource" sexualizes children at the earliest age possible. This is causing great harm to minors and is an attack against the traditional family unit. **Silence is not an option. The very well-being of our children is at stake. It is critical that Canada pull out of the UN.**

The Okanagan Regional library has partnered with **Freida Whales** a popular Kelowna Drag entertainer to host a once very popular event called Drag

Storytime.

The last time this event took place was back in November of 2019.

"Well it's been three years since this happened and it was a very popular event, lots of kids and their parents came out to that and loved it," said Advocacy Canada's president and CEO, Wilbur Turner.

Library CEO Danielle Hubbard tells Global news hosting events like this shows the library is a safe and inclusive space.

"I think it's a really important gesture of solidarity and support for our gender diverse members of our community," said Hubbard

Similar events like this have taken place across Canada including in Coquitlam and Calgary where protestors clashed, and police had to be called.

"We also see that the online, social media comments and so on that come out around these events are really a lot of hate comments and virtual," said Turner.

"A lot of misinformation and saying this is sexualizing a child which is totally not. Calling people in the community groomers and pedophiles and it's really harmful rhetoric."

Both The Kelowna Pride Society and Advocacy Canada along with the library know that protesters are planning to show up to the event.

Library CEO Danielle Hubbard says RCMP and extra security will be on site that day.

"We live in a country where people have the right to protest. But I think it's still fair to ask that those pro-tests be expressed respectfully."

Drag Storytime is scheduled for Jan. 28th at 11 a.m. Freida Whales will be the guest reader. The event is geared towards children but everyone is welcome to join.

The last event saw 300 people and the library is anticipating an even bigger crowd this time around.

## **VIDEO: Battle brewing over Drag Queen Story Time in Kelowna**

Drag Queen Freida Whales' performance at this weekend's story time is being overshadowed by the story unfolding outside the library.

Duelling petitions are circulating over the event and now the two sides are gearing up for opposing rallies before the event.

### **Battle brewing over Drag Queen Story Time in Kelowna**

Tyson Cook is looking forward to this Saturday's Drag Story Time at the Downtown Kelowna Library, presenting as Freida Whales.

**"I love doing Drag Story Time. I've always loved working with kids," said Cook.**

**"And I love seeing the joy and excitement on the kids' faces when I read them a good book."**

He points out that most children don't even see the gender issue.

"They just think I'm a fun, crazy character," Cook said. "I never really bring up that I'm a drag queen during the story time."

But there are people who would be happy to see it shut down.

"I think drag queens tend to be sexual and it tends to be a form of entertainment for adults," said Laurie Baird.

Photo Credit: NowMedia

After her first petition against the event was taken down by Change.org, she started another on [Action4Canada](#).

"I don't think they're a good role model for children," said Baird.

She argues the social media of drag queens tends to have content that's inappropriate for kids.

"I'm very concerned that children are going to get access to that social media and they're going to be very disturbed by the sexual nature of it," Baird said.

And the petition targets the man behind the Frieda Whales character.

"Let's take a look at Drag man, Tyson Cook," reads the new petition.

It contains [a video](#) in which Whales is the villain in horror movie scenarios.

*Photo Credit: YouTube Freida Whales*

"It's almost like a murder is being committed, and then there's almost a reference to cannibalism," said Baird. "To think a child might get access to that really really concerns me."

Tyson Cook laughs off the criticism, pointing out that it was just a character role, just like a Hollywood movie actor might take on.

"Just like any other performer I obviously do act", said Cook. "In that video, I was acting. It was a video for a different alter-ego for Freida Whales."

The head of the Okanagan Regional Library is satisfied with that, and there are no plans to cancel the event.

"No change of plans", said CEO Danielle Hubbard.

She said Freida Whales was vetted by library staff before these events as are all performers.

"We see in mainstream media in books and movies and music all the time that there are artists who create adult content and they create youth content."

(Okanagan Regional Library/Submitted)

*Photo Credit: NowMedia*

Supporters of Tyson Cook and his alter-ego Freida Whales have started [their own petition](#) of support.

Both sides are planning demonstrations prior to this Saturday's event.

And that's the biggest worry.

"I just hope that on the 'day of' that both sides of the divide are respectful," said Hubbard.

Drag Story Time is scheduled for 11:00 am Saturday at the Downtown Kelowna Library.

## Drag Queen Story Time reader in Kelowna, B.C., thanks supporters upon return

**'I was literally like a celebrity walking ... and everyone was cheering for me,' says Freida Whales**

CBC News · Posted: Jan 28, 2023 6:04 PM PST | Last Updated: January 28, 2023

Hundreds of supporters cheered on the reader at a Drag Queen Story Time in Kelowna, B.C., on Saturday, while a small group of protesters targeted the event, which returned following controversy.

It was the first time a drag queen had read at the library since 2019 when the Okanagan Regional Library's CEO spoke out against it, saying it could be divisive.

Following the first Drag Queen Story Time, an ideological battle broke out between the library board, librarians, drag queens, politicians, and parents, forcing the community to re-assess the role of libraries, and where drag queens fit into such public spaces.

On Saturday, Drag Queen Freida Whales — performed by Tyson Cook — was back after two readings in 2019.

Cook said he was touched by the welcome Whales received from hundreds of people waving rainbow flags and holding signs that read, "Drag story time safer than church," "You see a dress as sexual, sounds like a you problem," and "Support your local drag queens."

"It was definitely hard coming out of the parkade and not getting emotional because it was," said Cook on Saturday. "I was literally like a celebrity walking in ... and everyone was cheering for me. It was amazing to see."

- **Drag Queen Storytime is 'controversial' and 'potentially divisive,' says Okanagan library CEO**

Detractors of the events argue that cross-dressing storytellers could indoctrinate or sexualize children, while supporters say the glitzy story times aim to celebrate diversity in a safe space, saying it's prejudice — not drag queens — that hurts children.

The events that have been held across North America since 2015 as a way to create diverse, accessible, and culturally-inclusive family programming.

A small group of protesters at the event in Kelowna on Saturday confronted the supportive crowd outside the library as police looked on.

Protesters yelled and held signs that said, "Stop sexualizing children, drag is adult entertainment," "Parents have rights ... stop SOGI123," and "Trust the science, there are only two genders, leave the children alone."

## 'He just wants to hear the story'

The opposition did not keep parents and children away, however.

"It's just like a fun time with a character that is telling a story and is really interesting for the kids," said parent Cara Hills.

"So when I told my son that we were coming back he was just really excited. And he knows nothing of what's going on. He just wants to hear the story."

Another parent, Tara Taite, also spoke in support of her local library hosting the event.

"I think it's good to expose kids to all different ways of life and fun ways of being and just enjoying yourself."

12  
Danielle Hubbard, CEO of the Okanagan Regional Library, said having a drag queen read at the library is part of a monthly readers program where volunteers from the community headline the event.

She estimated 300 people came to hear Whales read on Saturday.

"It's fantastic," she said. "Clearly, there's a lot of support for a diverse event like Drag Queen Story Time."

- [How a B.C. library's Drag Queen Story Hour turned into a nationwide fight for intellectual freedom](#)

Hubbard said after the controversy in 2019, the library's board changed the policy to unequivocally allow events like Drag Queen Story Time.

"It's supporting our gender-diverse families. That's a segment of the population that has struggled a lot with representation."

Hubbard said the protesters voicing their opposition to the event did not detract from the story time.

"I think we're very fortunate in Canada to live in a society where people have the freedom to express their views and their opinions," she said. "I'm really pleased and relieved that from what we're seeing outside, it's peaceful on both sides of the divide."

- [Drag Queen Story Time supporters shout down protesters in Coquitlam, B.C.](#)

Meanwhile Whales said she has seen a growing amount of support for the event in Kelowna and is looking forward to coming back.

"Our pride has been growing every year as well. So I mean, our community is just getting bigger and bigger. There's more and more allies that support us."

Subject: Re: Canada Day 2023 performers

Kelowna Canada Day is about bringing our community together, not about driving it apart.

Kelowna Canada Day is about unity, not division.

A significant number of Kelowna residents felt it was inappropriate for the City to exploit Canada Day to push drag queens on children. Many of these opinions were shared online.

Festivals Kelowna Executive Director Renata Mills not responding to simple yes or no questions leads us to believe that yes, Tyson Cook (Freida Whales) or other drag queens are scheduled to perform at this year's Canada Day.

Mr. Cook also has a second murder fantasy video where he drags an unconscious body into a cellar and chops it up with an axe while dressed as The City of Kelowna's Canada Day taxpayer-funded children's Drag Queen Storytime performer, Freida Whales. The video is all ages.

<https://www.youtube.com/watch?v=ZRq2yPWD5Po>

Also attached are some of Mr. Cook's dark and sexual content that he has posted publicly on his all-ages social media, before locking his Twitter account.

Councillor Loyal Woolridge is well aware of Mr. Cook's dark and sexual history online and has repeatedly demonstrated poor judgment by promoting and encouraging an inappropriate performer for children.

Mayor and Council recently voted to approve \$250,000 of annual taxpayer funding to Festivals Kelowna.

Not aware of any other Kelowna petitions that have been signed by over 18,000 people.

A large protest and counter protest on Canada Day is not in the best interest of the City.

We request that Renata Mills email a written statement that there will be no divisive drag queen performances at Kelowna's Canada Day, by next Tuesday. Something that would take her a few seconds to do.

Failing to do so, we anticipate that the likely scheduled Kelowna Canada Day drag queen story hour and/or drag show will be discussed in the public forum and by conservative media.

Look forward to Leadership and an inclusive Canada Day for everyone. Thank you.

Hello,

I have removed Graeme from this reply for now.

The show tonight is not an explicit show in anyway. It's a 14 plus show not a 19 plus show. No one

On Sat, Jan 21, 2023, 12:26 p.m. Graeme Flannigan <graemeflannigan@gmail.com> wrote:

Good morning.

As a member of the Big White Community, I want to confirm that the Globe will have privacy blockers on their windows when hosting adult 19+ drag show that is sexually explicit, and not in clear view of the family-friendly village. Valerie Rose, one of tonight's performers, has photos on social media with another biological male, both wearing lingerie and wigs, crotch to crotch, simulating sex acts and it calling it "scissoring". This photo is from one of their drag shows, like they are performing tonight at the Globe. Many of their photos are too explicit for Instagram.

I can only imagine what a family with young children, staying on the hill, buying day tickets, rentals, equipment, meals, going to Carnival night and walking home past the Globe and seeing men in lingerie and wigs grinding their crotches on each other and simulating sex acts would think.

Also, Freida whales/Tyson Cook is a highly controversial performer who makes cannibal fantasy videos that are posted on YouTube and markets himself as both an adult 19+ performer and a children's performer. His reading to children next Saturday has generated thousands of negative comments on local social media. If you wish to view any of this explicit material of tonight's performers I can send you the links.

I know Big White is a world-class resort with utmost professionalism and will ensure the safety of all parties.

Thank you.

### Drag Queen Storytime with Freida Whales at the Penticton Art Gallery

Good morning,

On January 27, 2024 the Penticton Art Gallery is hosting drag queen performer Tyson Cook (Freida Whales) for Drag Queen Storytime.

<https://www.pentictonartgallery.com/eventlistingandcalendar/drag-story-time-with-frieda-whales>

The previous location of Cook's drag queen story time, The Kelowna Library and ORL, have no plans for Drag Queen Storytime with Freida Whales, conceivably due to Cook's lewd and indecent behavior.

Is the City and Council aware of the apparent Drag Queen Storytime with Freida Whales at the Penticton Art Gallery January 27, 2024?

Will drag queen performer Tyson Cook (Freida Whales) be reading transgender children's books, like My Shadow is Pink, to two-year-olds at the Penticton Art gallery?

Why is the Penticton Art Gallery misappropriating taxpayer funds to sexualize and indoctrinate children with drag queen story time?

18,000 people signed a petition opposing the usage of municipal taxpayer dollars for sexualizing children with drag queens, specifically drag queen performer Tyson Cook (Freida Whales).

<https://citizengo.org/en-us/209943-stop-taxpayer-funded-drag-queen-sexualization-children>

Here is the link to Cook's homicidal cannibal fantasy video

<https://twitter.com/graemeflanniga1/status/1615164539422781440>

Mr. Cook has been open publicly about his 'not always pretty **mental health**', as well his claim that "you have to take **drugs** to be a real Captain America".

On July 23, 2023 Cook performed an undisclosed all age drag show at Time Wines where **underage minors** would have been exposed to **sexual content**.

The previous Kelowna Drag Queen Storytime with Freida Whales was in local news as well as Rebel News and Western Standard.

Lewd and indecent performers are not for children.

We call for the Penticton Art Gallery's provincial and federal funding to be cut.

The City of Penticton and Council should cut the Penticton Art Gallery's municipal funding until Drag Queen Storytime with Freida Whales at the Penticton Art Gallery January 27, 2024 is canceled.

Thank you.

### Drag Queen Storytime with Freida Whales at the Vernon Art Gallery

Good afternoon,

On February 10, 2024 the Vernon Art Gallery is hosting drag queen performer Tyson Cook (Freida Whales) for Drag Queen Storytime.

<https://www.vernonpublicartgallery.com/dragstorytime>

The previous location of Cook's drag queen story time, The Kelowna Library and ORL, have no plans for Drag Queen Storytime with Freida Whales, conceivably due to Cook's lewd and indecent behavior.

Is the City and Council aware of the apparent Drag Queen Storytime with Freida Whales at the Vernon Art Gallery February 10, 2024?

91

Will drag queen performer Tyson Cook (Freida Whales) be reading transgender children's books, like My Shadow is Pink, to two-year-olds at the Vernon Art gallery?

Why is the Penticton Art Gallery misappropriating taxpayer funds to sexualize and indoctrinate children with drag queen story time?

18,000 people signed a petition opposing the usage of municipal taxpayer dollars for sexualizing children with drag queens, specifically drag queen performer Tyson Cook (Freida Whales).

<https://citizengo.org/en-us/209943-stop-taxpayer-funded-drag-queen-sexualization-children>

Here is the link to Cook's homicidal cannibal fantasy video

<https://twitter.com/graemeflanniga1/status/1615164539422781440>

Mr. Cook has been open publicly about his 'not always pretty **mental health**', as well his claim that "you have to take **drugs** to be a real Captain America".

On July 23, 2023 Cook performed an undisclosed all age drag show at Time Wines where **underage minors** would have been exposed to **sexual content**.

The previous Kelowna Drag Queen Storytime with Freida Whales was in local news as well as Rebel News and Western Standard.

Lewd and indecent performers are not for children.

We call for the Vernon Art Gallery's provincial and federal funding to be cut.

The City of Vernon and Council should cut the Vernon Art Gallery's municipal funding until Drag Queen Storytime with Freida Whales at the Vernon Art Gallery February 10, 2024 is canceled.

Thank you.

### April 27 Art Gallery drag queen storytime

Good afternoon,

On April 27 Lake Country Art Gallery is hosting drag queen storytime with Tyson Cook a.k.a. Freida Whales.

Cook also works as an elementary school educational assistant. It is very clear that the Art Gallery did not do any due diligence. Cook has performed multiple drag (queen) and burlesque bunches that are 19+. On July 23, 2023 Cook performed a drag brunch and burlesque at Time Wines with no age limit advertised. The event was advertised multiple times in multiple locations. The venue confirmed in an email that it was all ages children event.

Cook has performed all age drag shows that were advertised as such.

It appears Cook performed a 19+ sexually explicit drag brunch and burlesque at Time Wines for all ages children.

It appears Cook exposed his panty covered genital area to an audience of all ages children.

Cook has a large amount of sexual content that he has posted on his all ages social media. Cook's website's children section links to his all ages social media. (X account now protected).

<https://www.freidawhales.com/guppytank>

This taxpayer-funded drag Queen storytime should be cancelled because this performer is too inappropriate for toddlers. Please confirm you've done the right thing and cancelled this event.

Thank you for your response. While your establishment may be all ages, you have the discretion to set age limits on your events.

Local drag queen Ella Lamoureux's drag bingo events are 19+.

Freida Whales April 18, 2024 drag bingo event was 19+.

But your and Lakesider Brewing Freida Whales drag bingo events are all ages. Tyson Cook has a history of performing adult sexual events for all ages children. Exposing children to inappropriate sexual content is unacceptable.

Exposure, or partial exposure of genitals to persons under the age of 16, Criminal Code 173 Exposure under the Indecency Act, is a criminal offense.

<https://laws-lois.justice.gc.ca/eng/acts/c-46/section-173.html>

It is requested that you reconsider your decision to expose children to inappropriate 19+ sexual content.

Failing to do so, it is anticipated that the public will be notified through social media that Buffalo Rouge and owners Liam Mitchell and Crystal Cain are exposing children to 19+ sexual content, there will be a Buffalo Rouge Brewing boycott, City staff, news media and Kelowna RCMP will be notified and protests.

Please confirm you've done the right thing, reconsidered your decision to expose children to inappropriate 19+ sexual content, and made your 19+ event 19+.

### Arts on the Avenue inappropriate performers doing 19+ shows for all ages children

Is it appropriate for performers who do 19+ sexually explicit shows for all ages children, to perform at the "family friendly" Arts on the Avenue?

On June 23, 2023 at Runaways Lounge, Peter Packer – a.k.a. Peter Prosthetic Penis, Fuchsia Bush, Other Nature performed a 19+ sexually explicit drag show for all ages children.

Tyson Cook a.k.a. drag queen Freida Whales also performed the 19+ sexually explicit show for all ages children at Runaways Lounge.

<https://globalnews.ca/event/9714051/runaways-lounge-pod-pride-drag-brunch/>

If a 30 seconds Google search of their names had been done as part of your due diligence you would be aware of this.

The booking of drag kings, who have an inappropriate history of performing 19+ sexually explicit shows for all ages children, seems like Festivals Kelowna has a political agenda using taxpayer dollars to promote and encourage cross-dressing, 'radical gender identity' and sex change double mastectomies, to families and children.

Genuine appropriate performers deserve greater attention.

Please confirm these inappropriate performers have been removed from the "family friendly" Arts on the Avenue.

### **Kelowna radical extreme political September 22 event that promotes harm to children on taxpayer private property**

Good morning.

Today there is a Kelowna radical extreme political event that promotes harm to children on taxpayer private property. This event has been falsely and misleadingly advertised by organizers and in the media as not being a counter protest. Organizers have repeatedly promoted and encouraged 19+ sexually explicit content to all ages children and have repeatedly promoted and encouraged underage minors to permanently harm themselves and some organizers have permanently harmed their own children.

Furthermore, taxpayer-funded organizer Advocacy Canada president Wilbur Turner is a self-confessed alcoholic who is increasingly becoming detached from reality and if he shows up to the event under the influence and based on his past behavior, he poses a safety threat to children.

Advocacy Canada president Wilbur Turner has promoted and encouraged 19+ sexually explicit content to all ages children by drag performer Freida Whales. Advocacy Canada vice president Darren 'Darrien' McWatters was operational manager of Time Wines when drag performer Freida whales performed a 19+ sexually explicit drag show and 19+ sexually explicit burlesque show to all ages children.

Advocacy Canada president Wilbur Turner has promoted and encouraged 19+ sexually explicit content to all ages children by September 22 event organizer Rebellious Unicorns. Rebellious Unicorns has a long history of performing 19+ sexually explicit content to all ages children.

The mother of four in Picture 13, at the adult drag show for all ages children, Joelle Wolf, committed suicide shortly after these pictures were taken. She was used as a media poster child for inappropriate drag for children.

Advocacy Canada president Wilbur Turner also created a statement in support 19+ sexually explicit content to all ages children. The only Kelowna Councillor with enough poor judgment to sign the statement was Loyal Wooldridge, who is now a BC NDP candidate. BC Premier David Eby and his government were notified through email multiple times about Loyal Wooldridge's inappropriate behavior.

BC NDP candidate Wooldridge also demonstrated conflict of interest by signing the statement in support of Rebellious Unicorns' 19+ sexually explicit content to all ages children, because he has posted pictures of himself with Rebellious Unicorns president Dustin Baulkam in a soiled bedroom. (Picture 16)

September 22 event organizer Trans Parent, Carrie Broughton and school Board trustee Wayne Boughton, had their biological daughter Tor Boughton sterilized at age 13 by giving her puberty blockers and cross sex hormones. Carrie Broughton repeatedly lied to the media saying puberty blockers and cross sex hormones are reversible. Carrie and Wayne Boughton had their biological daughter Tor Boughton's breast surgically removed with a double mastectomy at age 15. The Boughton's have repeatedly lied to the media that surgery is not being performed on minors.

Mayor and Council and City of Kelowna must cancel this political event on taxpayer owned private property because it promotes harm to children and the organizers have a long history of promoting and encouraging harm to children.

Thank you.

**January 22, 2024 Kelowna curling club drag queen event all ages**

Good afternoon,

- Regarding the Kelowna curling club January 22, 2024 drag queen event.

<https://www.freidawhales.com/events>

- The drag queen performer Tyson Cook has a history of performing 19+ adult shows for all ages children and lying about drag queen show age limits in his advertisements.

- Cook has done many +19 sexual drag queen shows for all ages children which are the actions of a groomer predator.
- Cook is also known for his simulated homicidal cannibal video where he appears to reference serial killer Robert Pickton by feeding simulated human remains to a pig.
- Will Cook be exposing his panty-covered male genital area to children, like he has done in the past, at the curling club?
- Will Cook be touching and holding children like he has posted pictures of himself doing?
- Cook has done numerous 19+ adult drag queen bingo shows for all ages children at Buffalo Rouge Brewing and Lakesider brewing. Evidence-based formal complaints are being sent to the Liquor and Cannabis Regulation Branch – that both establishments' liquor licenses should be suspended for exposing underage minors to lewd performers.
- Cook appears to have a pathological obsession with exposing all ages children to 19+ adult sexual content, therefore, it is requested that this all ages drag queen event be made an 18+ or 19+ event.

Thank you.

## Change.org cancels petition opposing Kelowna 'storytime' featuring drag queen with cannibalism-themed music video

The controversial event is one of a series the library is planning to 'bring diverse and inclusive programming' to its communities and will be featuring drag queen 'Freida Whales' for its first attempt at doing so.

By Drea Humphrey January 24, 2023 News Analysis

Isn't appropriate for entertaining small children.

"Drag queens and strippers are not appropriate role models for young children who tend to idolize any live entertainer that they meet," Baird's cancelled petition read, adding that "Children, after meeting these performers, may want to follow them on Facebook and Instagram and some of the photos and videos posted by these entertainers are not appropriate as they contain sexual content."

In addition to concerns surrounding Cook's 'Freida Whales' persona performances for adults being normalized for kids who could potentially come across them online, Cook has also created 'Freida' to have an evil alter ego called "Killa Whales." In a music video of Cook's called "Sculpture," 'Freida,' or alter ego 'Killa,' acts out murdering someone and discarding their body parts. Even more disturbing is a scene when Cook appears to act out cannibalism by blending up a portion of the body and then eating some of it with his fingers before feeding the leftover remains to a pig.

Drag queen Freida Whales has performed a large number of all age drag queen shows.

On May 14, 2023 Freida Whales performed a 19+ drag queen drag and burlesque brunch. The poster lists 19+.

On June 25, 2023 Freida Whales performed 19+ drag queen drag and burlesque brunch. The poster did not list an age limit. The advertisement for the event on Global News lists the age as 19+.

Prior to July 23, 2023, Freida Whales had advertised a drag queen drag and burlesque brunch. The poster did not list an age limit. Freida Whales has performed a significant number of all age drag shows that have been advertised as all ages. When asked if the event was 19+ the venue responded that it was "all ages event and given the nature of drag shows there may be some subject matter which may not be suitable for children."

Thank you to all the parents, children, family and citizens who attended the wonderful 1 Million March for Children Kelowna. It was so nice to see so many happy families marching together. Media claims 500 attendees but event organizers claim 700 to 800. Unfortunately, there were a small number of counter protesters who instead of having a peaceful demonstration across the street like they advertised, attempted to disrupt and shut down a peaceful rally where many children were present. Fortunately, they were easily ignored. Some media also painted an inaccurate portrayal of the event. Look forward to showing more accurate examples. Time for more family celebrations.

It is with great sadness and disappointment that I found upon the recent petition in Kelowna to end drag story time and other family friendly activities. People requested to show healthy citizenship by not supporting that petition in Kelowna. Unfortunately, they were so misguided that they thought that there are many signs to not a healthy Kelowna and this family friendly drag queen storytime. Drag queen storytime is a place where children are exposed to different types of drag. They drag queens usually request that they are not to be named. If parents are the legal guardians of their children and not the state, then why does the state currently have more legal rights than parents in schools? Parents should have the right to be informed and have a say in their child's education.

Parents realize the law is against them in the educational system because teachers have more legal rights over their children than they do, despite the parents being the legal guardians of their children.

Hamas' terrorist attack on Israeli civilian women and children was an atrocity. Attacking civilians is a violation of the Rules of Conflict and it is terrorism. Israeli - Palestinian conflict is long-running. All deliberate loss of innocent life is unacceptable and all reasonable steps should be taken to avoid them.

Trump and Kushner were more pro-Israel yet had a better relationship with the Arabs because they understood them through business. Bring long-term peace to the Middle East. Israel has the right to a proportional response.

Coun. Cannan writes a personal column which is well received in Kelowna. There was a loud minority that objected to a column, mostly the same people who unsuccessfully demanded Jordan Peterson's book tour Kelowna stop be canceled. Free speech is permitted (Note: child abuse is a crime and not a choice). There is a separation of church and state in government but elected officials do not need to become atheists to hold the position, they can be as religious as they like. Many constituents prefer politicians of faith.

There are valued concerns about the transgender movement and gender ideology SOGI.

Deceiving children that sex is a spectrum, when it has been proven that sex is a binary, is harmful and wrong.

Kelowna girls being put on puberty blockers at 11 and being permanently sterilized is harmful and wrong. 11-year-olds do not have the mental capacity to comprehend or consent to a lifetime of sterilization. Sterilizing children is not inclusivity.

Kelowna girls being put on testosterone at 13 and having their breasts removed at 15 is harmful and wrong.

Activists promoting and encouraging sexually explicit 19+ drag queen shows for an all-ages audience, where underage minors are permitted, is harmful and wrong.

A councillor, with no known children of their own, said in a news article that Kelowna families (approximately 87.95%) who think parents should be informed of pronoun changes under the age of 16, are prejudiced if they publicly vocalize their beliefs. This

It is much more cost-effective to put prolific career criminals in jail instead of endless catch and release.

It's time to ban all LGBT propaganda on taxpayer-owned property.

In Kelowna, many families were agitated by the transgender and pride progress flags at the taxpayer-owned Art Gallery that is located directly across from the city's most premium hotel.

Response to Tyson Cook a.k.a. drag queen 'Freida Whales' defamation lawsuit:

- Paragraph 8. "The Plaintiff has advertised 19+ sexual drag queen shows for all ages children audiences."
- Paragraph 9. "The Plaintiff has posted a music video where he simulates kidnapping, torture, murder, and cannibalism. The Plaintiff also makes an apparent reference to serial killer Robert Pickton when he simulates feeding human remains to a pig. This YouTube posted music video had no age restrictions until the Defendant posted a clip of it. The Plaintiff's children section of his website links to his YouTube page which features this music video."
- Paragraph 1. "The statements made by the Defendant regarding the Plaintiff are true. Evidence proves the statements made by the Defendant regarding the Plaintiff are true. True statements are not defamation."
- Paragraph 2. "The accurate and true reposting of the Plaintiff's content and the accurate and true description of the Plaintiff's content is not defamation."
- Paragraph 3. "The Plaintiff and the Plaintiff's lawyer are both activists with a political axe to grind who are abusing the process of the legal system by filing a frivolous lawsuit falsely claiming true information is defamation because they are trying to stifle and censor accurate and true information that is in the public interest."
- Paragraph 5. "The demand letter was complied with but the Plaintiff is attempting to sue for long-deleted social media posts that both he and his lawyer knew or ought to have known were deleted over nine months ago."
- Paragraph 6. "The Plaintiff and the Plaintiff's lawyer have falsified email evidence by taking comments out of context to alter the meaning and make an accusation look like it was directed at the Plaintiff when it was directed at an organizer whose daughter had a double mastectomy at age 15. Evidence of this sex change surgery on a min or was attached to the email."
- Paragraph 10. "Defendant Flannigan posted true and accurate screenshots of the Plaintiff's inappropriate sexually explicit public social media posts."
- Paragraph 15. "The Plaintiff has posted with the implication that he was banned from Status nightclub in Vernon for inappropriately planning to do a 19+ sexually explicit drag queen show on the same day he was performing drag queen storytime at the library for very young children - performing hours apart. The Plaintiff does not appear to have rebooked a performance at Time Wines in Penticton after the Defendant posted accurate and true screenshot evidence of Plaintiff advertising 19+ sexual drag queen shows for all ages children audience."
- Paragraph 17. "In response to Paragraph 22. False. The post has been edited and updated since May 2024 to use more specifically accurate language. The post was included in the April 25, 2024 demand letter. Suing for false information. The Plaintiff and Plaintiff's lawyer has falsified email evidence to deceive and mislead. The plaintiff is falsely trying to censor true and accurate information. Plaintiff and plaintiff's lawyers are both political activists with an axe to grind and are misusing the legal system to further their agenda filing frivolous lawsuits with false information."
- Additional Facts Paragraph 1. "The Plaintiff has stated that the Defendant's posts have helped the Plaintiff book more shows and sell out more shows."

Drag queen Freida Whales last Kelowna drag storytime was featured in Rebel News with the headline, "Kelowna 'storytime' featuring drag queen with cannibalism-themed music video".

" " Drag queens and strippers are not appropriate role models for young children who tend idolize any live entertainer that they meet," Baird's canceled petition read.

"In a music video of Cook's called "sculpture", 'Freida', or alter ego 'Killa', acts out murdering someone and discarding their body parts. Even more disturbing is a scene when Cook appears to act out cannibalism by blending up a portion of the body and then eating some of it with his fingers before feeding the leftover remains to a pig."

### Change.org cancels petition opposing Kelowna 'storytime' featuring drag queen with cannibalism-themed music video

isn't appropriate for entertaining small children.

"Drag queens and strippers are not appropriate role models for young children who tend to idolize any live entertainer that they meet," Baird's cancelled petition read, adding that "Children, after meeting these performers, may want to follow them on Facebook and Instagram and some of the photos and videos posted by these entertainers are not appropriate as they contain sexual content."

In addition to concerns surrounding Cook's 'Freida Whales' persona performances for adults being normalized for kids who could potentially come across them online, Cook has also created 'Freida' to have an evil alter ego called 'Killa Whales'. Drag queen Freida Whales has performed a large number of all age drag queen shows. On May 14, 2023 Freida Whales performed a 19+ drag queen drag and burlesque brunch. The poster lists 19+.

On June 25, 2023 Freida Whales performed 19+ drag queen drag and burlesque brunch. The poster did not list an age limit. The advertisement for the event on Global News lists the age as 19+.

Prior to July 23, 2023, Freida Whales had advertised a drag queen drag and burlesque brunch. The poster did not list an age limit. Freida Whales has performed a significant number of all age drag shows that have been advertised as all ages. When asked if the event was 19+ the venue responded that it was "all ages event and given the nature of drag shows there may be some subject matter which may not be suitable for children."

Taxpayer-funded Lake Country and Kelowna Art Galleries have announced drag queen storytimes on April 27 and June 1, respectively.

Kelowna Art Gallery hosted drag queen storytime with Freida Whales on January 27, 2023. That Kelowna drag Queen storytime was protested. There were a small fraction of attendees compared to the year prior at the library. There was no grand entrance with chalk graffitied sidewalks. Seems he used the side door.

On April 27 Lake Country Art Gallery is hosting drag queen storytime with Tyson Cook a.k.a. Freida Whales.

Cook also works as an elementary school educational assistant. It is very clear no due diligence was done by the Lake Country Art Gallery. Cook has performed multiple drag (queen) and burlesque bunches that are 19+. On July 23, 2023 Cook performed a drag brunch and burlesque at Time Wines with no age limit advertised. The event was advertised multiple times in multiple locations. The venue confirmed in an email that it was all ages children event.

Cook has previously performed all age drag shows that were advertised as such.

It appears Cook performed a 19+ sexually explicit drag brunch and burlesque at Time Wines for all ages children.

It appears Cook exposed his panty covered genital area to an audience of all ages children.

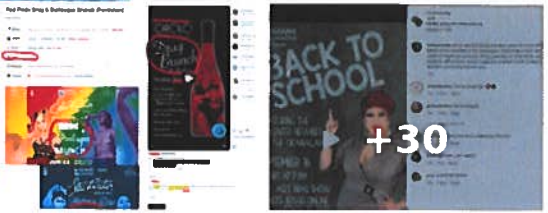

Cook has a large amount of sexual content that he has posted on his all ages social media. Cook's website's children section links to his all ages social media. (X account now protected).

**Re: Tyson Cook ("our Client") v Action4Canada Inc. et al; SCBC Kelowna Reg. No. S142409 (the "Action")**

We are legal counsel for Tyson Cook in the Action. Please direct all future correspondence in relation to this matter to the writer.

Please find attached for service upon you a Notice of Civil Claim, filed on December 19, 2024.

In addition to those defamatory statements particularized in the Notice of Civil Claim, it has come to our attention that on December 20, 2024, you emailed further defamatory statements about our Client to multiple recipients. Such statements contain obviously false and defamatory content and must cease.

We hereby demand that you immediately remove all defamatory publications related to our Client, as further detailed at paragraphs 22-30 of Part 1 in the enclosed Notice of Civil Claim and otherwise, by **January 24, 2025**. We further demand that you immediately cease and desist publishing any further defamatory statements about our Client on any platform, including on Facebook, X, or via email.

If you fail to comply with these demands, we will seek instructions to apply for a court order requiring you to remove all defamatory statements and enjoining you from making any further defamatory statements related to our Client. Our Client reserves the right to pursue any and all damages suffered due to your defamatory conduct to date, and in the future.

Our firm acts exclusively for our Client in this matter. We do not represent your interests, and if you have any questions about your legal rights or obligations in this matter, we encourage you to seek legal advice. If you have retained counsel to represent you, please ask them to reach out to the writer.

Yours very truly,

Sarah McCalla\*

Counsel:

**Tyson Cook v Action4Canada Inc. ("Action4Canada") et al, BCSC Kelowna Registry No. 142409 (the "Action")**

We are legal counsel to Tyson Cook in the above-noted Action.

We write in response to a letter we received from Action4Canada dated December 27, 2024. That letter advised that you have been retained as legal counsel to Action4Canada.

First, we enclose for service upon Action4Canada a notice of civil claim, filed in the Action on December 19, 2024 (the "Claim"). Please advise by **January 13, 2025**, if you have instructions to accept service of the Claim on behalf of Action4Canada.

Second, in specific response to Action4Canada's request for us to identify the harassing, disparaging and defamatory statements it published, the particulars of those publications are set out in paragraphs 18, 19, 20 and 21 of Part 1 of the Claim (together, the "**Publications**"). These Publications remain available at the URL's footnoted below.<sup>1</sup>

Third, as particularized in the Claim, our client is seeking, among other things, injunctive relief against Action4Canada, as Action4Canada has failed or refused to remove and/or retract the Publications it has published, and such publications remain online and are accessible by anyone with internet access.

As we previously advised your client in our letter of December 4, 2024 (enclosed again to this letter), the Publications include damaging, serious and incorrect statements and allegations respecting our client, contain obviously false and defamatory content, are actionable at law and must cease.

## Help Stop Vexatious Drag Queen Lawfare!

Please **Donate** to the Legal Action Fund today!

**Action4Canada** needs your help, but first some background information:

In January of 2023 **Action4Canada** created a petition and brought awareness to a matter involving Tyson Cook, aka drag queen Frieda Whales, who was set to perform/read to children at a local library. We learned that in his spare time, Mr Cook created videos depicting murders, cannibalism and Satanic-like rituals and his social media posts consisted of sexually vulgar and profane language ([learn more here](#)).

In addition we discovered that Mr Cook also works with vulnerable special needs children as a certified [Education Assistant](#) (EA) in the Kelowna School District as well as with autistic children for AutismBC.

**Our petition requested that the City of Kelowna STOP using taxpayers' money to fund Drag Queen Story Hours, and that the School District reassess Mr Cook's suitability as an EA.**

According to the BC Commissioner for Teacher Regulation, School Districts as well as the public have a "[Duty to Report](#)" if there are concerns regarding breaches of Professional Conduct, on or off duty. Although Mr Cook is only an EA he must be held to the same standard when working with children. It is important to note that in Coquitlam, BC in July 2023 an [EA was fired because she was in violation of the Code of Conduct](#) for running a social media account offering paid adult content.

Despite almost 19,000 people signing the petition, the Kelowna School Superintendent, Kevin Kardaal, did nothing and gave Mr Cook a free pass.

**Now, two years later, Mr Cook has decided to file a vexatious and frivolous [Notice of Civil Claim](#) accusing Action4Canada of publishing "statements online that are harassing, disparaging, and defamatory"...and that "these publications contain obviously false content".** However, all of the content was created by Mr Cook, not **A4C**. We merely reported on and posted what he had already made public, as is our duty to do so.

### How you can help:

**Action4Canada** has retained lawyer [James Kitchen](#) to represent us. Since we are fighting to protect children across Canada this claim involves everyone so we would be very grateful if you would [please donate](#) to the Legal Action Fund today.

**Thank you for partnering with Action4Canada to win this ideological war and bring sanity back to humanity!**

**Register in Advance** and invite others, for the **Empower Hour**, every Wednesday at 4:30pm PST/7:30pm EST

**Feb. 19, 2025: Action4Canada** is on the frontline battling against government overreach, radical ideologies and the Global Agenda. Join Tanya Gaw, founder of **A4C**, on this Empower Hour as she reports on important wins, actions, securing your assets and more!

Speaking of battles, **Action4Canada** needs your help. Fighting an ideological war intended to deconstruct the family, exploit our children's innocence and denounce the identity of biological women, means we open ourselves up to the risk of being unreasonably sued by radical activist groups or individuals who have no respect for the tried and true Biblical, Christian principles that underpin the Canadian Constitution and the Rule of Law.

This statement can be mind blowing for many Canadians who have been deceived into believing that Canada is a secular nation or a post-national state with no core identity. One in which there are no absolutes, no right or wrong. As we are witnessing, when you take God out of the picture, there is a rapid moral decline and then depravity, poverty and crime escalate.

This is not by chance, but by design. It is a well-orchestrated, anti-Christian, Marxist agenda that is intent on destroying Western civilization as we know it. The key to their success is in corrupting the minds of our children and using them as "Agents of Change". To win this battle we must be uncompromising in boldly speaking the truth and standing up to the radical activists. Their days are numbered and so we must firmly hold our position until the battle to protect the hearts and minds of our children is won. Please read the next section to learn more about the legal action that has been commenced against **A4C**, and support us by [donating](#) today.

### Call to Action #1

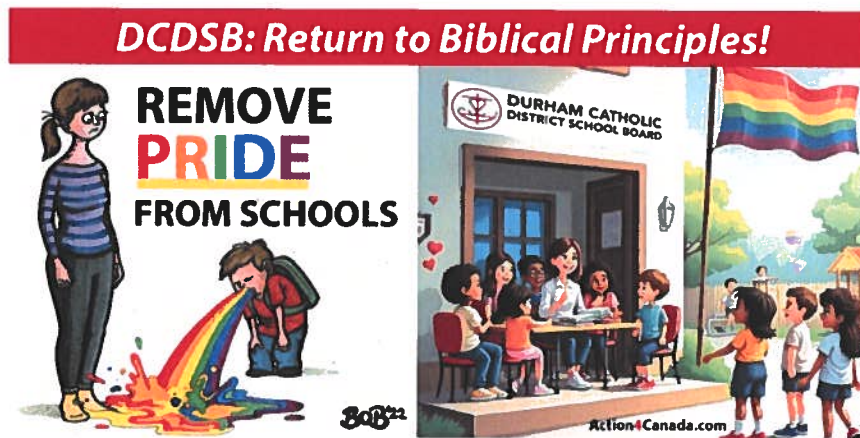

Action4Canada has retained Lee Turner to provide legal representation in response to the **vexatious and frivolous Notice of Civil Claim** filed by Mr Cook (aka drag queen Frieda Whales) who is accusing **A4C** of publishing "statements online that are harassing, disparaging, and defamatory"...and that "these publications contain obviously false content". However, all of the content was created by Mr Cook, not **A4C** and consisted of videos depicting murders, cannibalism and Satanic-like rituals, and his social media posts consisted of sexually vulgar and profane language. **A4C** merely reported and exposed what he had already made public. This was done as a matter of public interest since it was discovered that Mr Cook is also an Education Assistant and works for Autism BC ([learn more here](#)).

Mr Cook has retained Norton Rose Fulbright to represent him. This is a very expensive and large firm and it has been reported that the Unions are backing him. Since we are fighting to protect children across Canada this claim involves us all so we would be very grateful if you would **please donate** to the Legal Action Fund today. Thank you for partnering with Action4Canada!

### Call to Action #2

**Reminder...Take ACTION:** Send an email to the Durham Catholic District School Board (DCDSB) and sign and share the **PETITION**. It will take less than 5 minutes of your time.

The LGBTQ sex activist's reign of terror is coming to an end as a result of the tsunami of opposition to their radical, unscientific ideologies that are destroying the lives of children and their families. It is time to bring an end to this insanity.

After the incredible win recently in the Dufferin-Peel Catholic School District (DPCDSB) we are now reaching out to the DCDSB requesting that they reconsider their flag policy and support for lgbtq activists within their district. This would be in accordance with the Biblical principles that are foundational to the Catholic Christian faith. Learn more [HERE](#).

### International Relations and Canada

Maxime Bernier, leader of the People's Party of Canada (PPC), joined Tanya Gaw on the Empower Hour to unpack some of the major Breaking News headlines that are effecting Canada and the US. Tanya and Maxime discussed the upcoming election, government corruption, the Debates Commission's decision to exclude Maxime, the drug cartel and fentanyl crisis, extremism, the hidden gift to Canadians behind Trump's threat to impose tariffs, and much more. Please share this interview and remember to give **A4C** a thumbs up!

Donations to **Action4Canada** are very much appreciated and are used in ways that make the greatest impact on preserving Canadian sovereignty, our rights and freedoms, and the foundation of this nation, which is built on solid Christian biblical principles and values. Please consider either a one time [donation](#) or becoming a [monthly donor](#). Help **Action4Canada** continue to bring solutions and hope to the nation!

This is Tyson Cook, aka drag queen Frieda Whales, who performs/reads to children at a local libraries. The video below is very unpleasant especially for someone working with autistic children who are verbally delayed hindering them from expressing help when needed.

Mr Cook creates videos depicting murders, cannibalism and Satanic-like rituals and his social media posts consisted of sexually vulgar and profane language

Mr Cook works with vulnerable special needs children as a certified Education Assistant (EA) in the Kelowna School District as well as with autistic children for AutismBC in CANADA.

ACTION 4 canada demanded that the City of Kelowna STOP using taxpayers' money to fund Drag Queen Story Hours, and that the School District reassess Mr Cook's suitability as an EA.

Despite almost 19,000 people signing the petition, the Kelowna School Superintendent, Kevin Kardaal, did nothing and gave Mr Cook a free pass.

In addition we discovered that Mr Cook also works with vulnerable special needs children as a certified Education Assistant (EA) in the Kelowna School District as well as with autistic children for AutismBC.

Our petition demanded that the City of Kelowna STOP using taxpayers' money to fund Drag Queen Story Hours, and that the School District reassess Mr Cook's suitability as an EA.

According to the BC Commissioner for Teacher Regulation, School Districts as well as the public have a "Duty to Report" if there are concerns regarding breaches of Professional Conduct, on or off duty. Although Mr Cook is only an EA he must be held to the same standard when working with children. It is important to note that in Coquitlam, BC in July 2023 an EA

**Action4Canada** has retained Lee Turner to provide legal representation in response to the **vexatious and frivolous Notice of Civil Claim** filed by Mr Cook (aka drag queen Frieda Whales) who is accusing **A4C** of publishing *"statements online that are harassing, disparaging, and defamatory"...*and that *"these publications contain obviously false content"*. However, all of the content was created by Mr Cook, not **A4C** and consisted of videos depicting murders, cannibalism and Satanic-like rituals, and his social media posts consisted of sexually vulgar and profane language. **A4C** merely reported and exposed what he had already made public. This was done as a matter of public interest since it was discovered that Mr Cook is also an Education Assistant and works for Autism BC ([learn more here](#)).

Mr Cook has retained Norton Rose Fulbright to represent him. This is a very expensive and large firm and it has been reported that the Unions are backing him. Since we are fighting to protect children across Canada this claim involves us all so we would be very grateful if you would **please donate to the Legal Action Fund today**. Thank you for partnering with **Action4Canada!**
