

BACK TO SCHOOL CALL TO ACTION #1

Action4Canada is encouraging men

(fathers/grandfathers/step-dads/uncles)

(Mom's can participate too)

to accompany their children on the first day of school, to remind teachers and principals just whose children they are!

We are requesting that you:

- 1) Serve your child's teachers and principal with our Notice of Liability prohibiting the sexualization of children (action4canada.com/notice-of-liability-remove-explicit-books-and-radical-lgbtq-learning-resource); and
- 2) Deliver the Ban Non-governmental and Special Interest Group Flags and Propaganda Letter (action4canada.com/ban-non-government-and-special-interest-group-flags) that, according to the "Duty of State Neutrality", stipulates all public spaces must be neutral. This includes schools. All LGBTQ propaganda MUST be removed from classrooms, hallways, offices, etc.

Thank you for your Participation!
Together we will take back our education system!
