

# Small to Medium Sized Businesses are **Under Attack!**

The government is implementing a social credit system that is ultimately designed to destroy your business. It begins when you accept government financial incentives that are contingent on complying with misguided initiatives such as:

- Digital ID & Central Bank Digital Currency (CBDC)
- Environmental–Social–Governance ranking (ESG)
- Diversity, Equity, Inclusion frameworks (DEI)
- Corporate Equality Index (CEI)
- 15-minute cities / SMART cities / C40
