Subject: Information per meeting July 28, 2020

Dear Commissioner McDonald,

Thank you for taking the time to meet with me.

As per your request please find attached copies of the information I had provided you in our meeting. My apologies for the delay in sending this information as new information came to light which I added to the file. I also separated the concerns regarding Covid-19 unlawful measures from the second matter regarding the potential negligence of appointed officials to uphold the rule of law in connection the alleged criminal activity involving Justin Trudeau.

I understand the amount of information may be overwhelming but I have tried my best to put it in an format that easily unfolds the facts as they have been reported. It is my hope that there is enough solid information to commence an investigation by the RCMP.

If you have any questions or I can be of any further assistance please do not hesitate to contact me.

Yours truly,
Tanya Gaw
