# Section 1 – Ultimate Survival Tool

# Section 2 – Grow, Grow, Grow

Gather your tribe and  
farm, grow, harvest &  
preserve together.

NOT HAVING "SPACE" OR "TIME" IS NO LONGER A VALID EXCUSE.

- \*Retired Farmers
- \*Abandoned Farms
- \*Unused lots
- \*Farming Co-op
- \*Country church property
- \*Neighbours with neighbours

Be creative and  
find ideas that  
work collectively

Do I actually  
do this???

- Tomato plants from my seeds are now 8' tall
- Pepper plants from my seeds are now 5' tall
- All are LOADED with flowers and budding with fruit

Every available  
space is used up

# Growing Options to consider:

Cities, parks, forests, countryside; community gardens  
grow wherever you plant them.

BUY, BUY, BUY, AND BUY SOME MORE

WHILE THE SUPPLY CHAIN LASTS, STOCK UP

Stock up!!! Your money still buys stuff.

A box with dirt and green stuff growing out of it won't save you from the coming Apocalypse. Only a personal relationship with Jesus Christ can give you assurance for what is to come. Jesus said; "Come to me, all you who are weary and burdened, and I will give you rest"  
Matthew 11:28

TODAY IS THE DAY OF SALVATION...

God's Word tells us these days would come upon us,  
so we need not fear, BUT we can prepare to live a  
life of peace and joy in the midst of turmoil.  
God promises eternal life to those who believe and  
receive His free gift of Salvation. Will you do it  
today?

DEAR GOD, I BELIEVE YOU SENT YOUR SON JESUS TO  
DIE FOR MY SINS. I REPENT OF MY SINS AND RECEIVE  
JESUS AS MY SAVIOUR. HELP ME TO LIVE FOR YOU IN  
THESE LAST DAYS, AND THANK-YOU FOR THE PROMISE  
OF ETERNAL LIFE IN HEAVEN. AMEN!
