EVENT

Have you been following what is happening with Envision Durham 2030?

Did you know that Durham Region is planning to implement the **Durham Envision Plan** - a not-so-thinly-veiled agenda to impose a version of the **15-Minute City** concept **right in your backyard**? Have you even heard anything about this or how **it will impact your way of life**? Have you been invited to have a say in what is being **Envision-ed**?

Did you sign up for this:

- Your **privacy & property rights** eroded?
- To be forced to **walk or ride a bicycle** in Canadian winters?
- To be **corralled into smaller and smaller spaces**?
- Durham residents footing the bill to implement this **billion-dollar agenda**?
