RE: Corrupting the Morals of a Child and Robbing them of their Innocence

This Notice of Liability is to alert you that your participation in facilitating in the exploitation and/or sexualization of minors through drag queen story hours or other events/activities, such as Pride Parades, or making available explicit/pornographic books or resources to minors, is unlawful.

Drag queen events and activities are being promoted under the guise of diversity and inclusion and/or social acceptance of the self-proclaimed sexual identity of a person. However, all activities and events where minors are involved must be age appropriate and not cause psychological, emotional, or physical harm.

Drag queen story hours, camps and PRIDE events have become an avenue to expose minors to nudity, sexually explicit, pornographic, and inappropriate books, and activities. Schools, public libraries, and private and corporate businesses are promoting pride parades and/or inviting drag queens to perform for minors.

Making available, facilitating or promoting events or activities, where minors are exposed to nudity or a visual representation where the dominant characteristic is of a sexual purpose and advocates or counsels sexual activity with a minor, are crimes as laid out in the Criminal Code of Canada.

The following sections provide the categories of offences tending to sexually exploit and corrupt the morals of minors, and/or make available or promote, sexually explicit material or activities: Section 151, 152, 153 (1), 163.1, 171.1(5), 172.1(1), 173 (2), 174 (1), 175(1) - see attachment. These are indictable offences liable to imprisonment.

The cultural and political changes in Canada over recent years are working to normalize and accept activities and events for the purpose to counsel and/or advocate the sexualization of children.

Jon Uhler, a Certified Clinical Sexual Offender Treatment Provider, with 15 years of forensic clinical experience in treating more than 4,000 high and low intensity sex offenders, has emphatically stated that drag queens pose a significant risk to children.

In working with biological males who've offended against children, some of the following "red flag indicators" are often seen prior to the offence:

- A fixation on, and an involvement in, deviant sex and sexuality which can be seen in the activities they engage in on a regular or increasing basis, that reveal a high degree of focus on sex and sexuality. It is all the more concerning if they also elect to involve themselves with minors.
- Evidence of regularly accessing pornography, especially that which includes depictions of aggression, degradation, and violence. As men become more deeply involved in pornography, they evidence an increasing proclivity toward acting out what they are viewing.
- Evidence of having progressed in use of pornography develops into a malevolence toward women.

There are increasing reports of drag queens who perform for children, being accused of sexual crimes against children. Many have been convicted of child sex abuse, child pornography, and prostitution.

Drag queens are adult men with adult sexual proclivities who get a perverse sexual kick out of committing lewd and indecent acts during performances in clubs. Whilst these acts aren't always witnessed during drag queen story hours, adult men dressing up in women's clothing is an erotic fetish that originated in the sexual underworld, decades ago. Drag queens performing for children consistently evidence too many concerning indicators to be permitted to have access to minors.

Drag Queen Story Hour (DQSH) pitches itself as a family-friendly event to promote reading, tolerance, and inclusion. The Drag Queen Story Hour organization's website (www.dragstoryhour.org) reads, *"In spaces like this, kids are able to see people who defy rigid gender restrictions and imagine a world where everyone can be their authentic selves."*

This is simply 'marketing language' that provides cover for their real agenda, which is to create a sex positive, anti-oppressive learning environment to reformulate children's relationship with sex, sexuality and eroticism. This destroys children's natural defences against sexually predatory behaviour and strips them of their innocence, as well as subverts the system of heteronormativity, breaks down societal norms and the natural family and reengineers childhood sexuality from the ground up. Drag performances provide a visual, symbolic, and erotic method for achieving this using glitter, sequins, wigs, dancing, glamour, music and stories to draw children in, in order to subliminally groom them.

The DQSH describe drag as a *"site of queer pleasure"* that promises to *"turn rejection into desire"* and *"[transform] the labour of performance into the pleasure of participation,"* and DQSH as offering a *"queer relationality"* between adult and child.

Psychologist Amy Souza says *"we have forgotten as a culture that children's innocence deserves to be protected"* and warned that parents should not allow their desire to embrace inclusivity to cloud their judgement in protecting children. She added that drag queen events for children *"absolutely constitutes the normalization of adult sexuality placed in front of children."* While stating that, *"as adults, we can see something [sexual] and reject it. But a child doesn't have the cognitive capacity to reject the things that are in front of [him or her]."*

Therefore, as a Canadian citizen who has a duty to report, I have reasonable grounds to suspect that children are being caused considerable harm by drag queen story hours and/or other sexually oriented activities/events such as Pride Parades.

Therefore, I demand that:

- You cease and desist the promotion, facilitation and funding of any and all activities that support or endorse exhibitionism, or any event involving drag queens having access to or performing for minors.

School guidelines, public library, retail business and organization policies do not override the Criminal Code in these matters. It is the duty of every Canadian citizen, no matter their position or title, to uphold the law and respect the Constitution and Charter Rights. Individuals/educators who approve and/or use or make accessible to minors, any pornographic materials, resources, performers (e.g. drag queens), activities/events, or clubs can be held personally liable, and this NOL may be used as evidence against you in future actions. You have been duly advised and I trust you will take the appropriate actions to resolve this matter.
